Leafy Vines 6

D2832S56628-4777

Part of a series of six unique botanicals, Leafy Vines 6 is a fine art print of an acuminate-leaved vine. Against a neutral background, a gently rounded, flowing form brings movement to an alternating pattern of simple and compound leaves, whose ends terminate in light, slender points. A softer color palette of thistle green and sage compose the body of the leaves and vine, while splashes of hemlock add dimension to the uniform curvature. A carefully curated addition to ART by TA, Leafy Vines 6 incorporates the elegance of botanical illustrations with carefully indistinct forms for a balanced, peaceful presence.
