CozyUp™ FOLDING PET STEPS

Let's reach new heights together.

1

Unfold the steps by pulling back on the leg until the locking tabs snap into place. Attach the adhesive-backed fabric treads and feet.

2

Offer treats to gently encourage your pet to practice walking up and down. With a little patience and lots of praise, your pet will soon be happy using the steps on his own!

3

To fold the steps for storage, press on both locking tabs and fold the leg under the steps.
