USER MANUAL

We continue to be committed to provide you tools with competitive price.

"Save Half", "Half Price" or any other similar expressions used by us only represents an estimate of savings you might benefit from buying certain tools with us compared to the major top brands and does not necessarily mean to cover all categories of tools offered by us. You are kindly reminded to verify carefully when you are placing an order with us if you are actually saving half in comparison with the top major brands.

product presentation

Specification: Each package contains three separate privacy screens, and an assembleable set of stands. Screw accessories will be sent with the package.

Versatile and Practical: Good for sunlight filter. Function partition best for dividing the furniture areas, such as living room, dining area, dressing room, apartment, sun room and more. Decoration partition Combined with home decor into one scenery as an oriental style or an elegant display. Scenes partition served as a movable divider wall for a visiting, a conversation and a patient divider for hospital. Privacy Dividers: Privacy screens are a great option for those who have a need for privacy. If you want extra privacy or to decorate your house, simply have a privacy fence to separate your space. Placing a modern privacy screen on the floor or wall will make for an beautiful view. Stylish Patterns for Your Choice: Each pattern is classic and all match. We are confident that will bring a new inspiration to your home decor.

Material: laser-cut galvanized steel, it looks texture and easy to keep clean.

Before Assembling

If the privacy screen will be used in a strong wind area, we highly recommend you using four Hex-Head Sleeve Anchors to fix the privacy screen on solid ground.

Before assembling, we recommend:

1. Wear Gloves.

2. Assembling on a soft mat to prevent from scratch and scuf marks.

3. Ask for a Helping Hand.

4. Use Hex-Head Sleeve Anchors to fix the privacy screen on solid ground if necessary.

Product List
