PARTS LIST

A	TABLE TOP X 1		<p>Before beginning</p> <ol style="list-style-type: none"> 1 - Carefully unpack and position the item on a clean, non-marring surface to assemble. 2 - Read this Assembly Instructions from beginning to end before starting to assemble. 3 - Take an inventory of the required parts to ensure all are available. 4 - To prevent accidental choking hazards, keep all packing materials away from small children. 5 - Only tighten hardware until ALL hardware are fully engaged on their locations. Overtighten bolts will damage the bolt threads. 6 - Use only factory provided hardware to assemble. Unapproved hardware can damage product or jeopardize the structural integrity of the product. 7 - The use of power tool to assemble is not recommended due to high risk of over-torque, which can damage the product.
