

Dear Customer,

We design and produce our products for people to love and have fun with them as we do. The product you bought was subjected to all sorts of tests and control before sending out to you.

Before start assembling, please check the whole components and accessories according to the lists. If you bought more than one product, to prevent confusion be sure that you completed the first product. Then start the other product's assembling.

Although all the products are produced and packed carefully, sometimes happen that some component is damaged during the transportation. In such a case please check the missing or damaged part and do not hesitate to contact us

Do not use your furniture for out of purposes. If you would like to use it, please contact us for further questions via mail: service@daveefurniture.com

Do not directly contact your furniture with excessive heat, cold and humidity because the product can be affected..

You are welcome to visit www.daveefurniture.com for more DAVEE brand products.

This bookshelf is a modular design

Step 1

put shelves together, attach by bolts

Attention !!!

Keep shelf straight

Step 2

Do not tighten screws & bolts until the entire item is completely assembled.

Serious or fata injures can occur from furniture tipping over.
To prevent the furniture from tipping over we recommnd that it
is permanently fixed to the wall. Wall anchor and hardware are
included with this product. Please make sure hardware is
suitable for your walls before installing, as different wall
materials may require different types of anchors.

Be sure the bookshelf more
stable, please assembling
the bolts under ceiling (bolts
not included)
Any questions, please mail
to us via
service@daveefurniture.com

Attach Anchor inside the wall,
and lock bolt under the panel

If the shelf as
room divider,
please lock bolt
this direction

Step 3

please adjust the
feets to keep level
