His Eyes 1

D2215S44284-3500

His Eyes is a unique take on fine art photography that combines sculpture and print. The focus is on classic Greek sculpture featuring the upper male torso. Texture is a standout in this work with an emphasis on the intricately carved waves of the man's hair and the draping of his garment.

Following Her Smile, careful use of positive space creates an air of power and intrigue in a subject whose gaze is cast in the direction of her glance. His Eyes is an original and exclusive work of art for ART by TA.
