Contact Us

We're here to help you.

Your satisfaction is our top priority. If you encounter any issues with this product, such as missing or damaged parts, we're here to help. Please retain the original packaging and take photos of the packaging and the product, then contact us as soon as possible.

Specifications

1. Input Voltage: 120VAC 60Hz
2. Max.load Power: Incandescent Bulb 40W
3. Socket Type: Standard Medium E12

Warm Tips

1. Please pay attention to the warning signs.
2. Carefully read these instructions and keep them for future reference.
3. Check the parts list and confirm everything's there before starting assembly.
4. When assembling, put all parts on a soft, smooth surface like a carpet to avoid scratches.
5. This summary may not include every detail of all variations and considered steps.
Please feel free to contact us if further information and help are needed.

WARNING

1. All electrical connections must be in accordance with local codes, ordinances.
2. Inspect the wire insulation for any cuts, abrasions, or exposed copper that may have resulted during shipping. If there is a defect in the wire, do not attempt installation.
3. These fixtures should be mounted on an electrical outlet box. The box must be directly supported by the building structure.
4. Please consult a qualified electrician if you have any electrical questions.
5. DO NOT try to repair or disassemble the unit. Doing so could damage the unit and cause possible electrical shock. Seller assumes no responsibility or liability for any damage caused by incorrect assembly, improper operation or improper use.
6. Keep packing materials away from children to prevent choking and suffocation.

TOOLS REQUIRED (NOT INCLUDED)

X2

💡 CARING FOR YOUR ITEM

1. Clean the fixture with a soft, dry cloth.
2. Do not use any cleaners with chemicals, solvents or harsh abrasives.

⚠️ Caution

Before attempting to clean the fixture, disconnect the power to the fixture by turning the breaker off or removing the fuse from the fuse box.

? PRODUCT TROUBLESHOOTING

PROBLEM	POSSIBLE CAUSES	SOLUTION
