# The goods

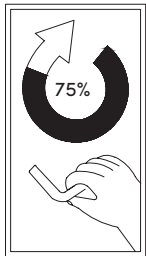

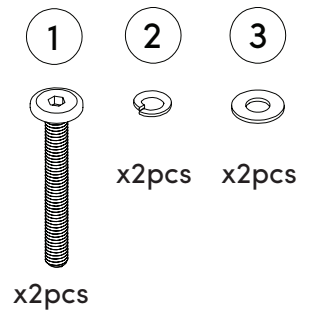

## IMPORTANT

1. Do not tighten bolts / screws completely until all bolts / screws are lined up and inserted into holes.
2. Do not over-tighten screws and bolts to avoid stripping.
3. Please use hand tools to assemble this product.

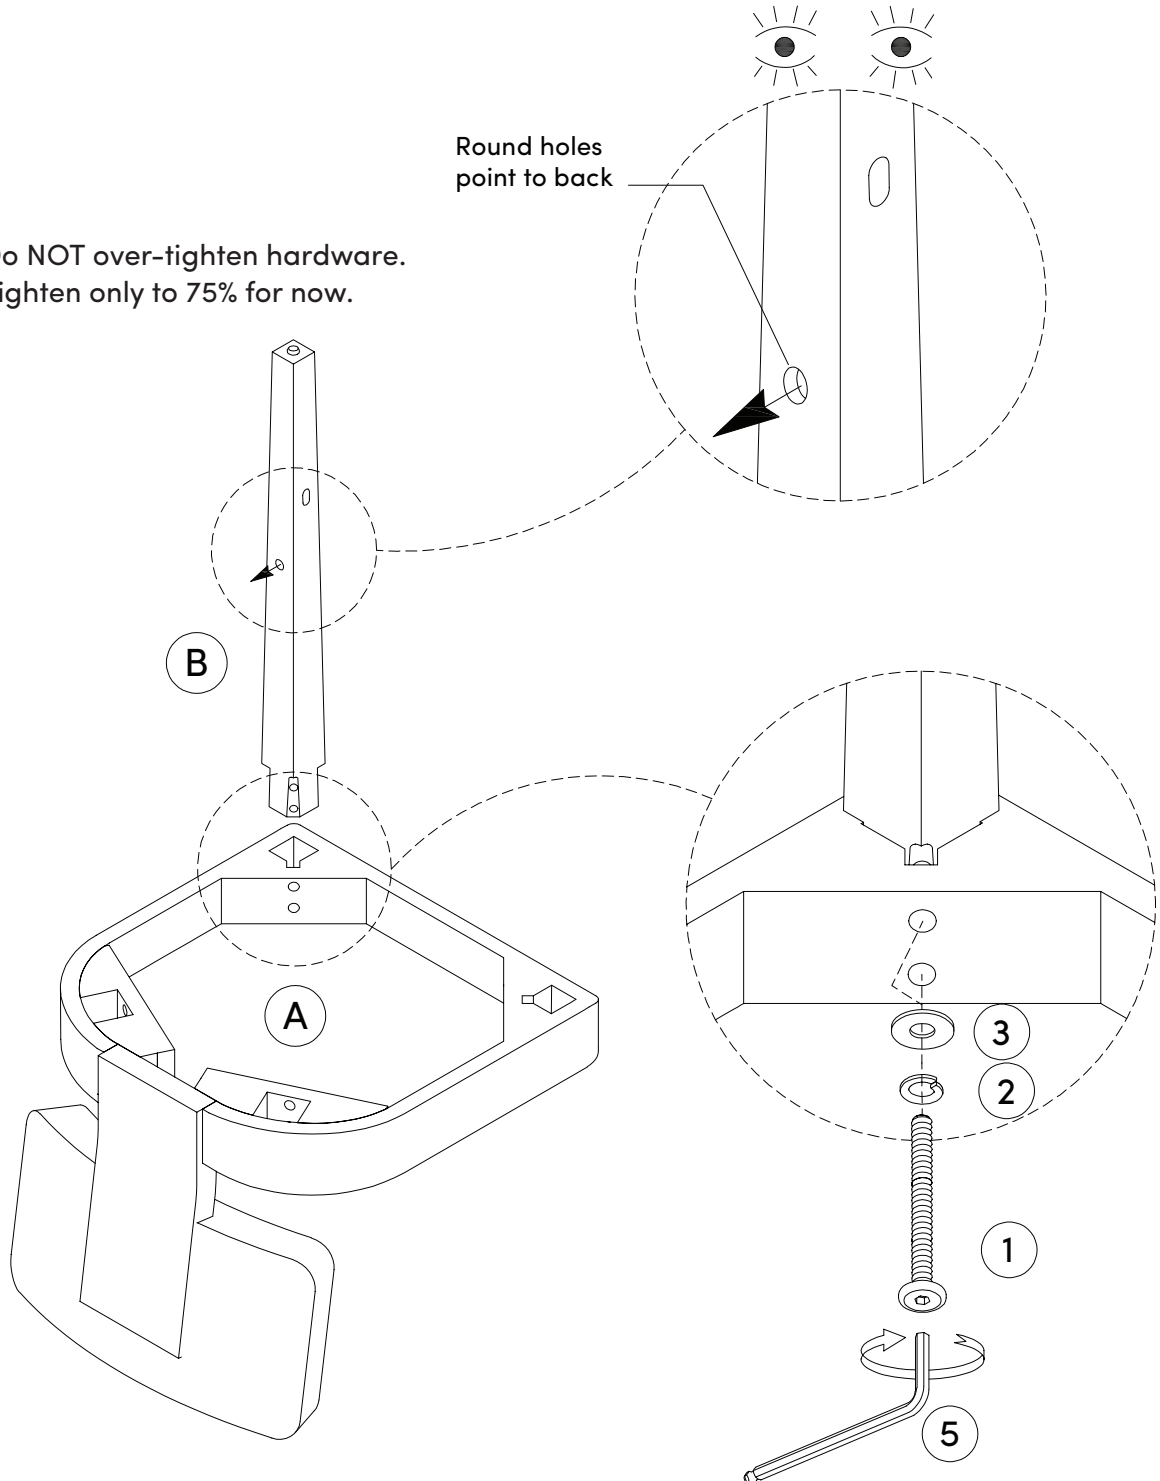

# Step 1

Let's get this thing fired up!

Begin securing the Front Leg (Left) (B) to the Seat Cushion Assembly (A) using two sets of  $\text{Ø}1/4"$  x 10mm Lock Washers (2),  $\text{Ø}1/4"$  x 19mm Flat Washers (3) and  $\text{Ø}1/4"$  x 60mm Hex Button Head Bolts (1) with the Allen Key (5).

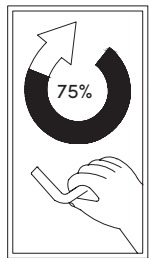

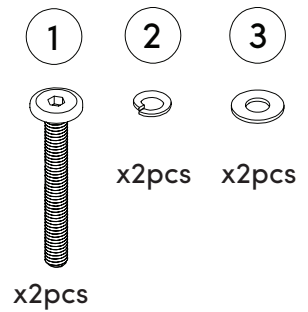

Do NOT over-tighten hardware.  
Tighten only to 75% for now.

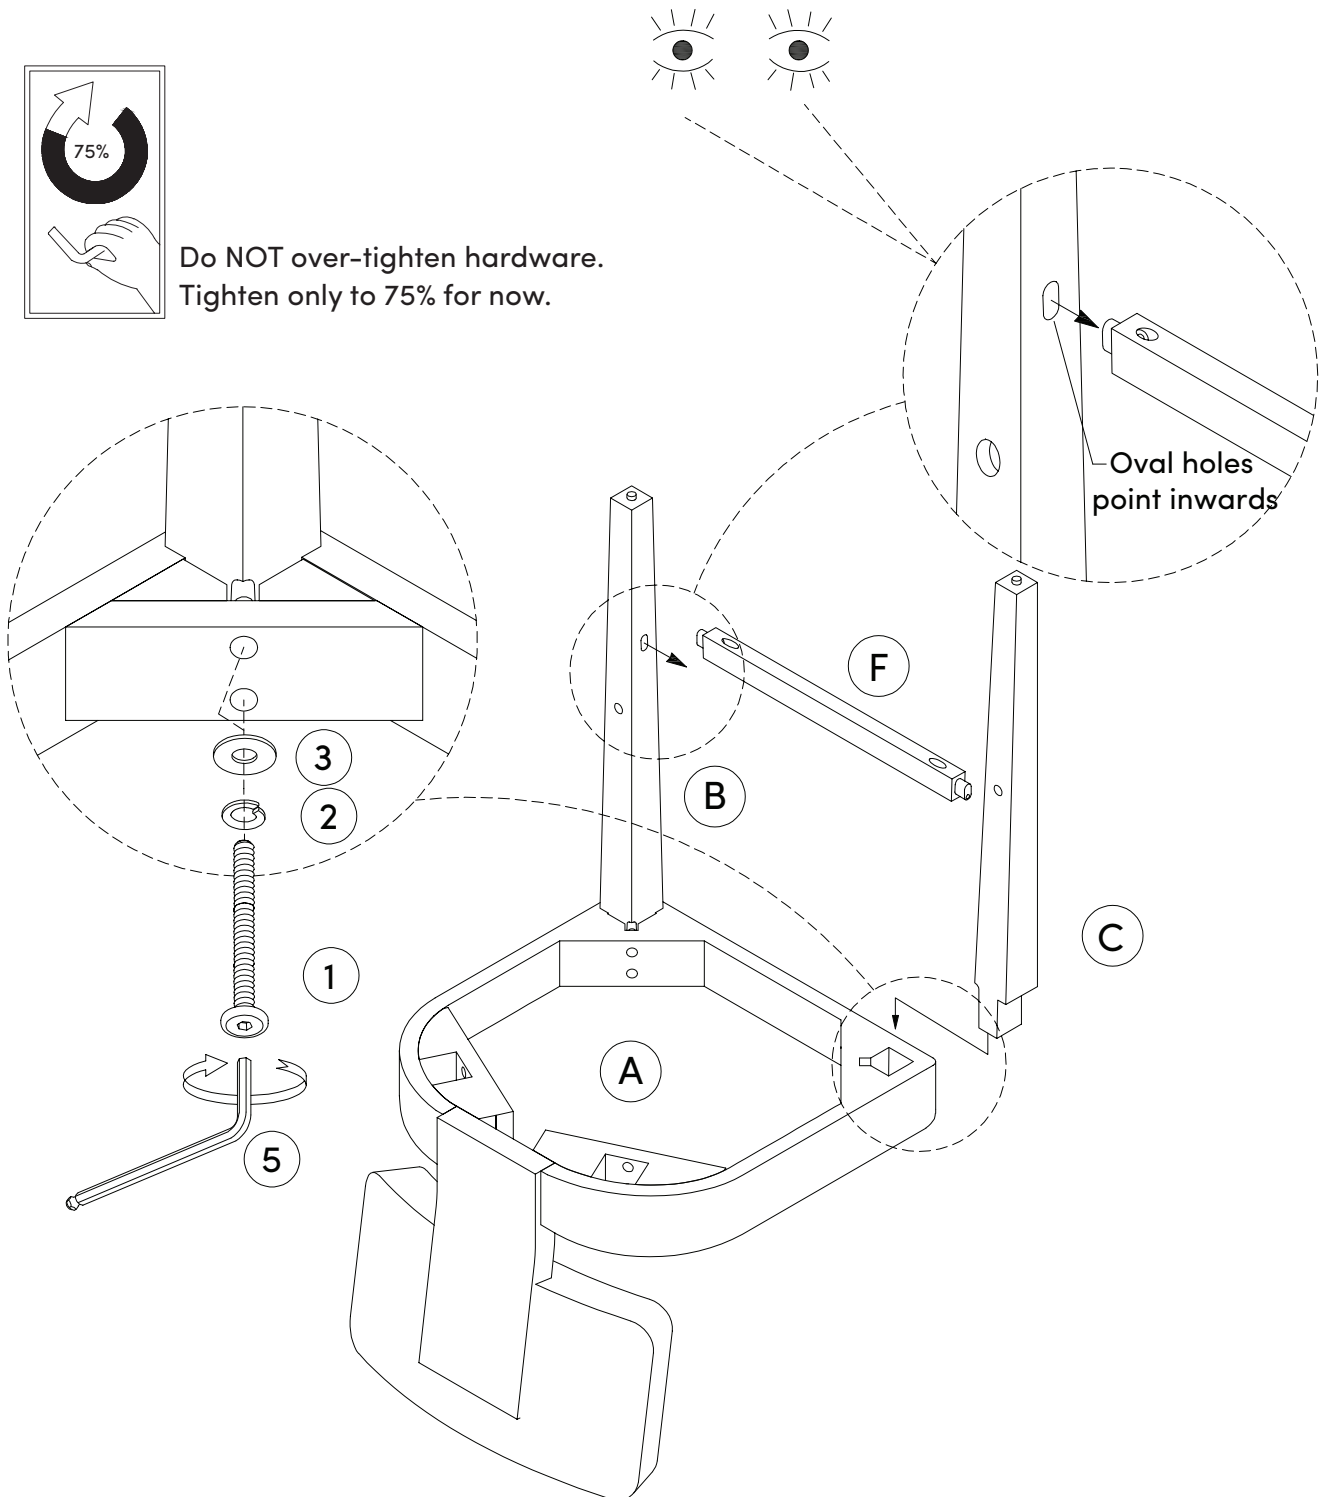

# Step 2

Continue by securing the Front Leg (Right) (C) to the Seat Cushion Assembly (A) using another two sets of Ø1/4" x 10mm Lock Washers (2), Ø1/4" x 19mm Flat Washers (3) and Ø1/4" x 60mm Hex Button Head Bolts (1) with the Allen Key (5).

Next, insert the Footrest (F) into the Front Legs (Left) & (Right). Make sure to line things up as shown below.

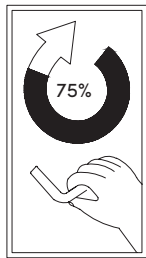

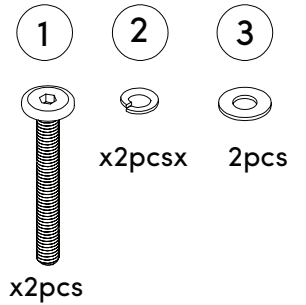

Do NOT over-tighten hardware. Tighten only to 75% for now.

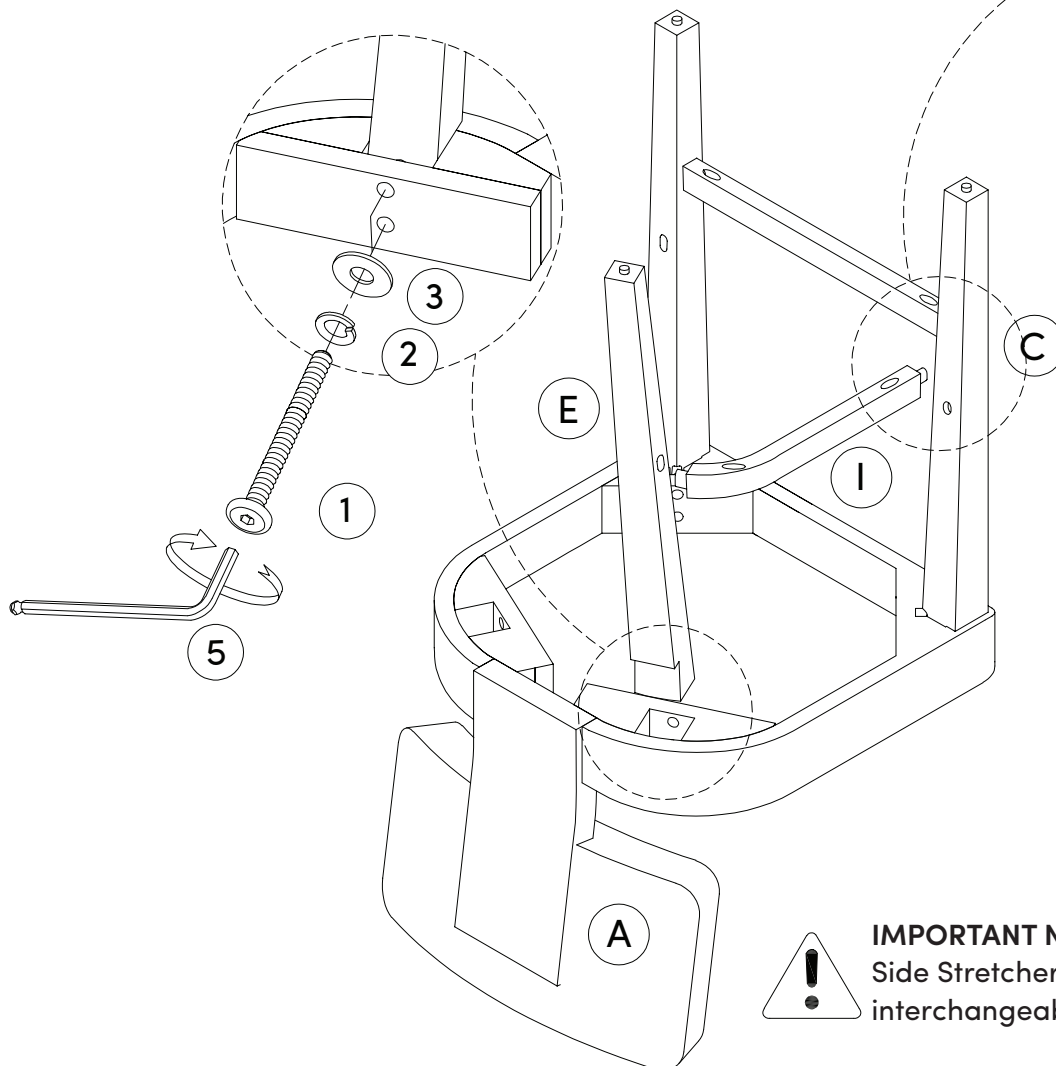

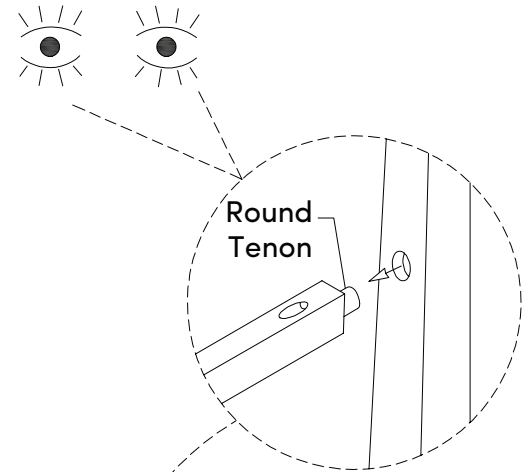

# Step 3

Time to secure the Back Legs!

Begin securing the Back Leg (Right) (E) to the Seat Cushion Assembly (A) using two sets of Ø1/4" x 10mm Lock Washers (2), Ø1/4" x 19mm Flat Washers (3) and Ø1/4" x 60mm Hex Button Head Bolts (1) with the Allen Key (5).  
Next, insert the Side Stretcher (Right) (I) into the Front Leg (Right) (C) and Back Leg (Right) (E).

Do NOT over-tighten hardware.  
Tighten only to 75% for now.

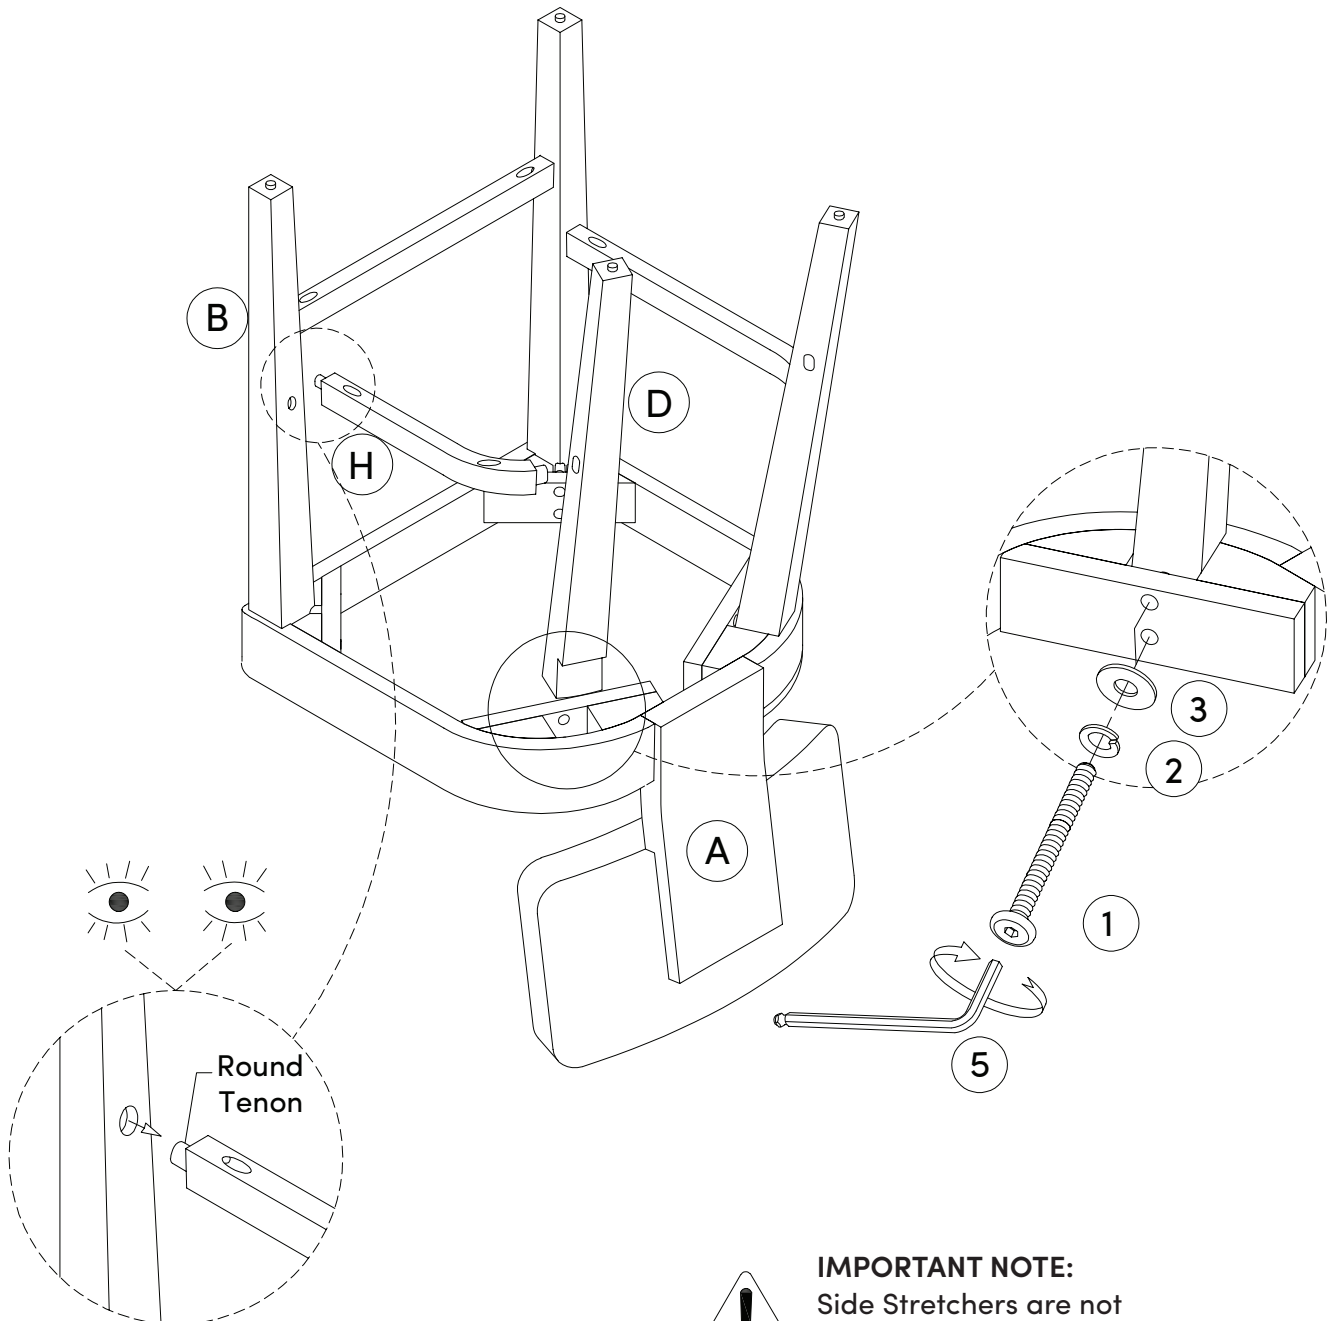

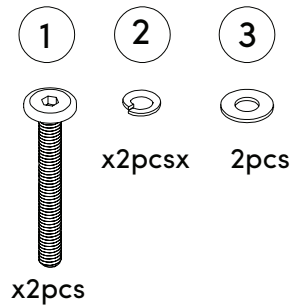

**IMPORTANT NOTE:**  
Side Stretchers are not interchangeable.

# Step 4

Continue by securing the Back Leg (Left) (D) to the Seat Cushion Assembly (A) using another two sets of Ø1/4" x 10mm Lock Washers (2), Ø1/4" x 19mm Flat Washers (3) and Ø1/4" x 60mm Hex Button Head Bolts (1) with the Allen Key (5).

Next, insert the Side Stretcher (Left) (H) into the Front Legs (Left) (B) & the Back Leg (Left) (D).

Make sure to line things up as shown below.

**IMPORTANT NOTE:**  
Side Stretchers are not interchangeable.

# Step 5

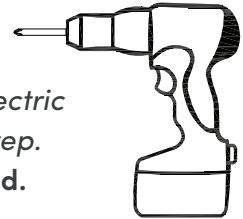

Insert the Stretcher (Back) (G) into the Back Legs (Left) & (Right).  
Make sure to line things up as shown below.

Finally, secure the Footrest (F), the Side Stretcher (Left) (H), Side Stretcher (Right) (I) and Stretcher (Back) (G) to the legs using a screwdriver and M4 x 50mm Phillips Head Screws (4).

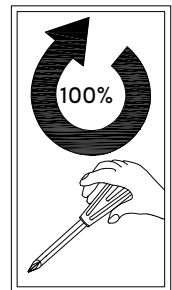

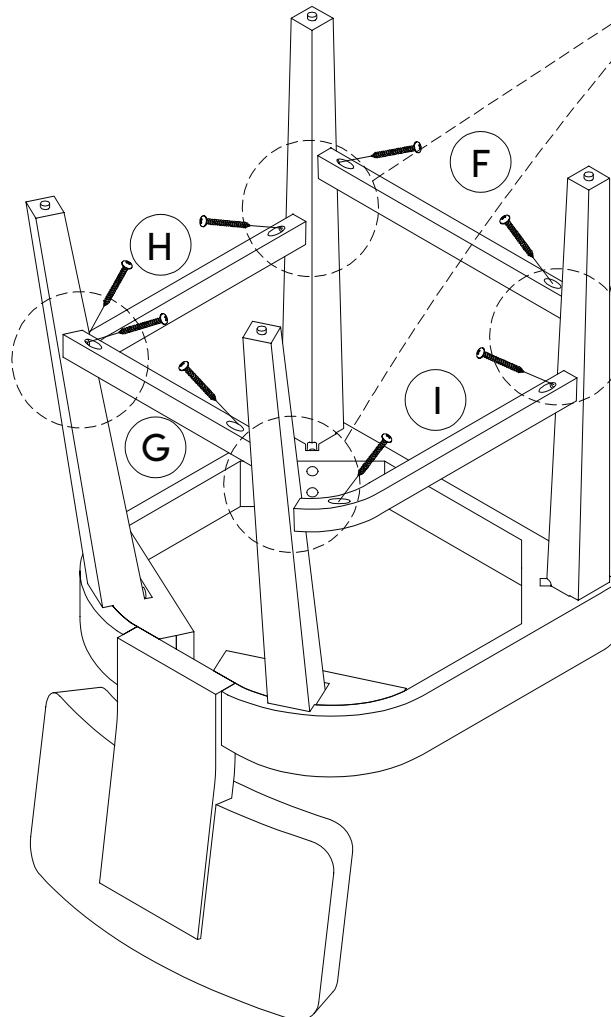

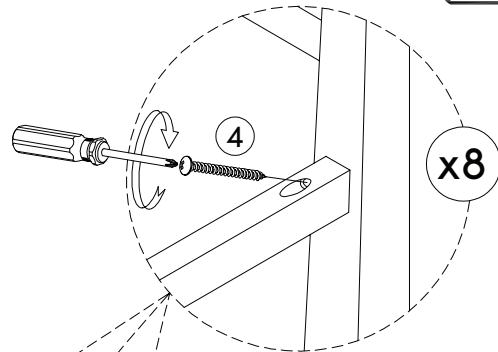

x8pcs

*If you are having trouble getting the screws to catch, it is recommended to carefully use an electric screwdriver or drill with necessary bit for this step.*  
**Do not over-tighten; holes may become stripped.**

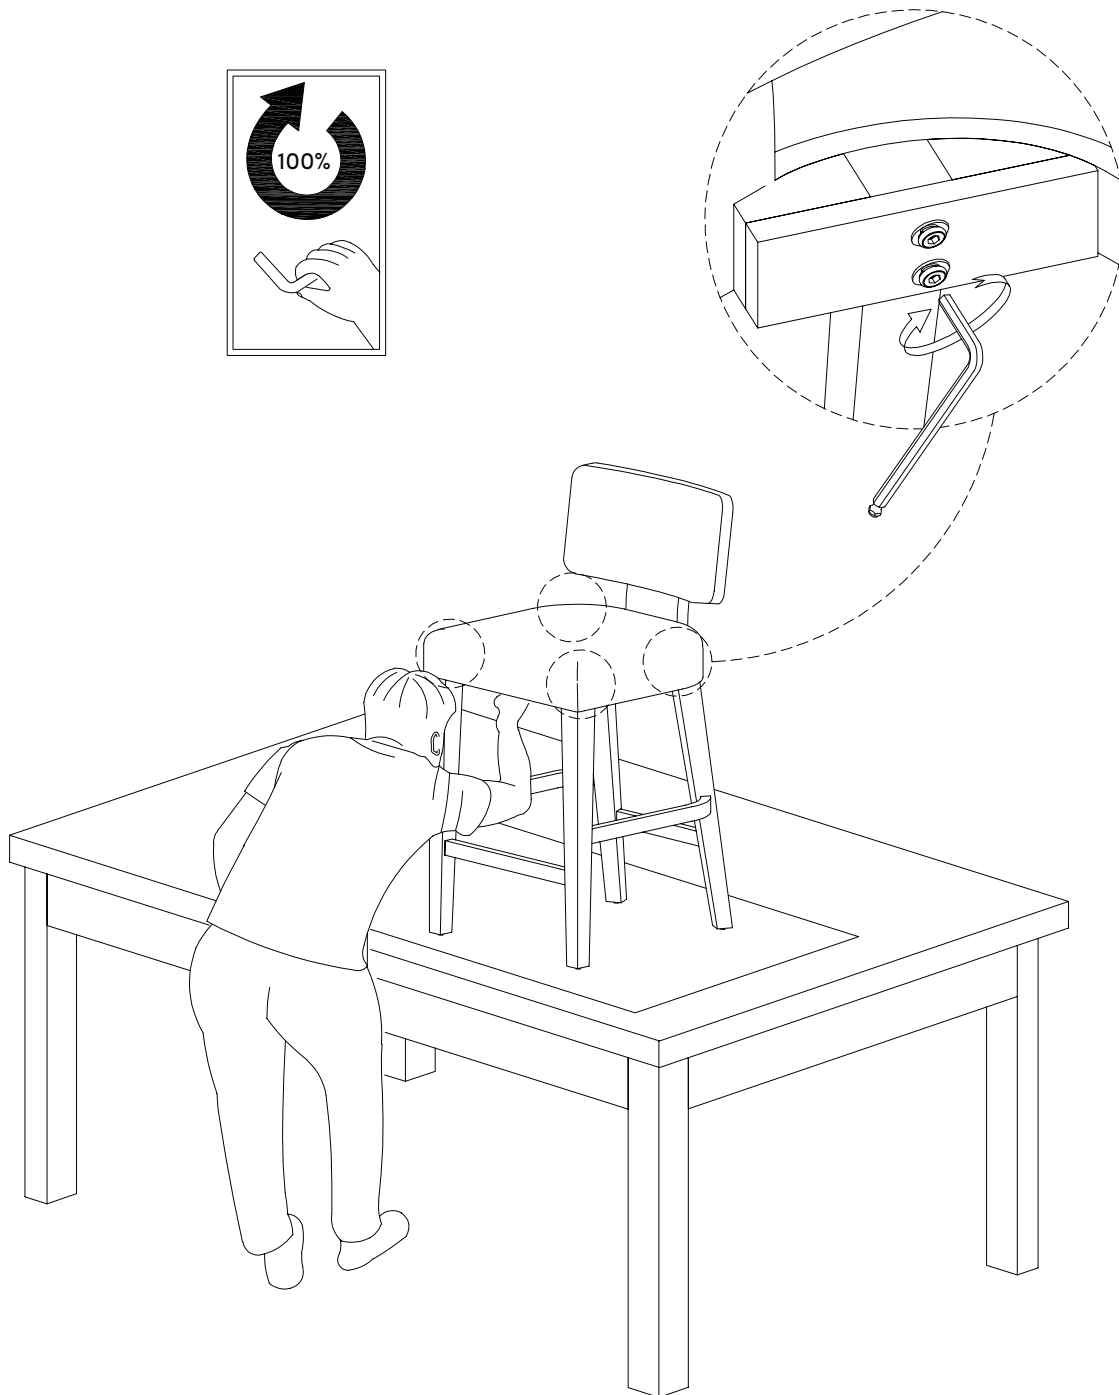

**Helpful Tip:** Screws are installed through the stretchers at an angle.

# Step 6

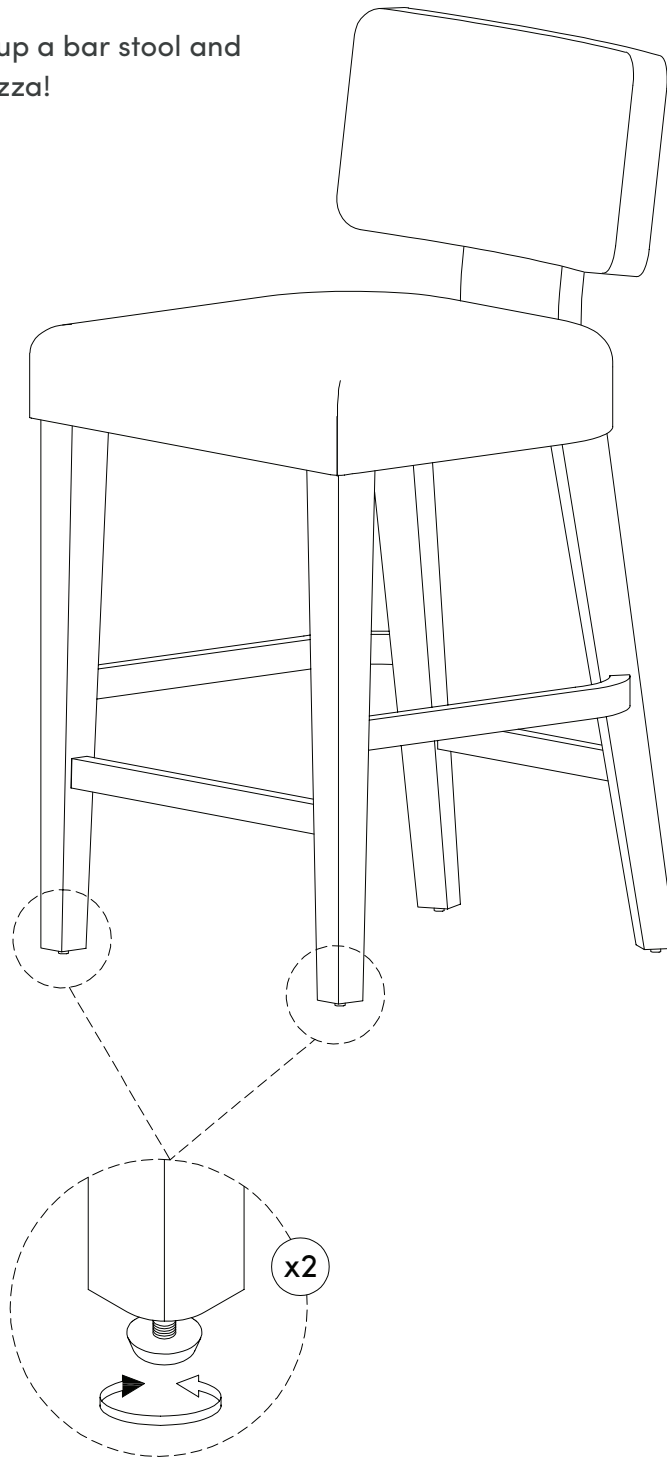

Place a piece of cardboard on a flat, level surface, such as a tabletop, then carefully flip the stool over onto the cardboard and make sure the legs are touching the cardboard evenly before finally tightening all of the bolts to 100%.

# Step 7

Now for some fine tuning (if your stool needs it). If it's still looking a little uneven, adjust the levelers on the feet until it's nice and level.

You did it! Time to pull up a bar stool and celebrate with some pizza!

**HELPFUL TIP:**  
Adjust the levelers to help further level the bar stool, if needed.

# No heartburn, when we handle the return

Give us a call **1-866-619-1004** or shoot us a message  
at **help@nathanjames.com** we will issue you a free  
replacement with **zero hassle**.

You

We really don't want you to go through the hassle of re-packaging your item  
and sending it back, because let's be honest...nobody has time for that.

# Safety first, fun later

We want your product to last as long as possible, so we recommend that you tighten the screws 2 weeks after assembly, and for added safety, check the tightness of all screws every 2 months.

For proper care and treatment, please check our website at [NathanJames.com/products](http://NathanJames.com/products)

## Safe use of this product starts with you.

Use this product responsibly with the primary concern for your safety. Follow assembly instructions carefully and inspect product upon receipt and each use.

Nathan James and its parent companies cannot be held legally responsible for any injuries or death resulting from failure to follow instructions or improper use of this product.

## Do not modify the structure of this product in any way.

Our products have been tested to meet specific safety measures as they were originally intended to be sold. Any modifications will present the risk of creating significant safety issues which NJ will not be responsible for.

## Proper use

- |               |                              |
|---------------|------------------------------|
| <b>DO NOT</b> | use for commercial purposes  |
| <b>DO NOT</b> | frolic on bar stool          |
| <b>DO NOT</b> | use bar stool as footstool   |
| <b>DO NOT</b> | leave spilled liquid on seat |
| <b>DO NOT</b> | use bar stool if damaged     |
| <b>DO NOT</b> | make temporary repairs       |
| <b>DO NOT</b> | use outdoors                 |
