Installation Instructions

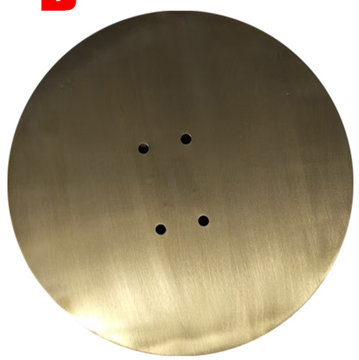

Step 1:Install the table legs

1. Place A on top of B and secure with screws.

A

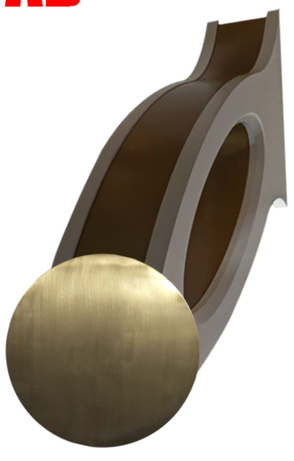

B

2. Place C on top of the assembled A/B, then secure with screws through the four middle holes.

AB

C

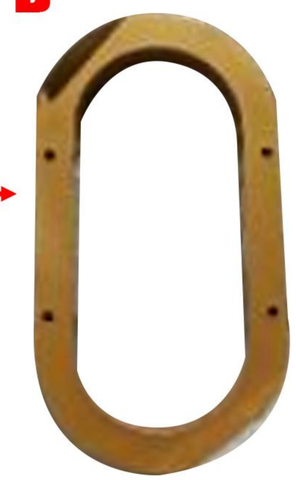

Step 2:Attach the tabletop

1. Place C on top of E, adjust and align the positions.

2. Align the tabletop with the pre-drilled holes on the table legs and cabinet. Secure the tabletop from underneath on the table leg side, and fasten it at the inner top of the cabinet on the cabinet side.
