If you have difficulty with installing or need replacement parts, please contact us with email and Leave order number. We will handle your case soon without returning.

Version:2.1

INTRODUCTION

Thank you for purchasing our products. Committed to providing customers with the best quality products and service has always been our lifelong goal. Before using the product, please read this instruction manual carefully to ensure correct use. Keep the instruction manual in a place where the user can find it at any time.

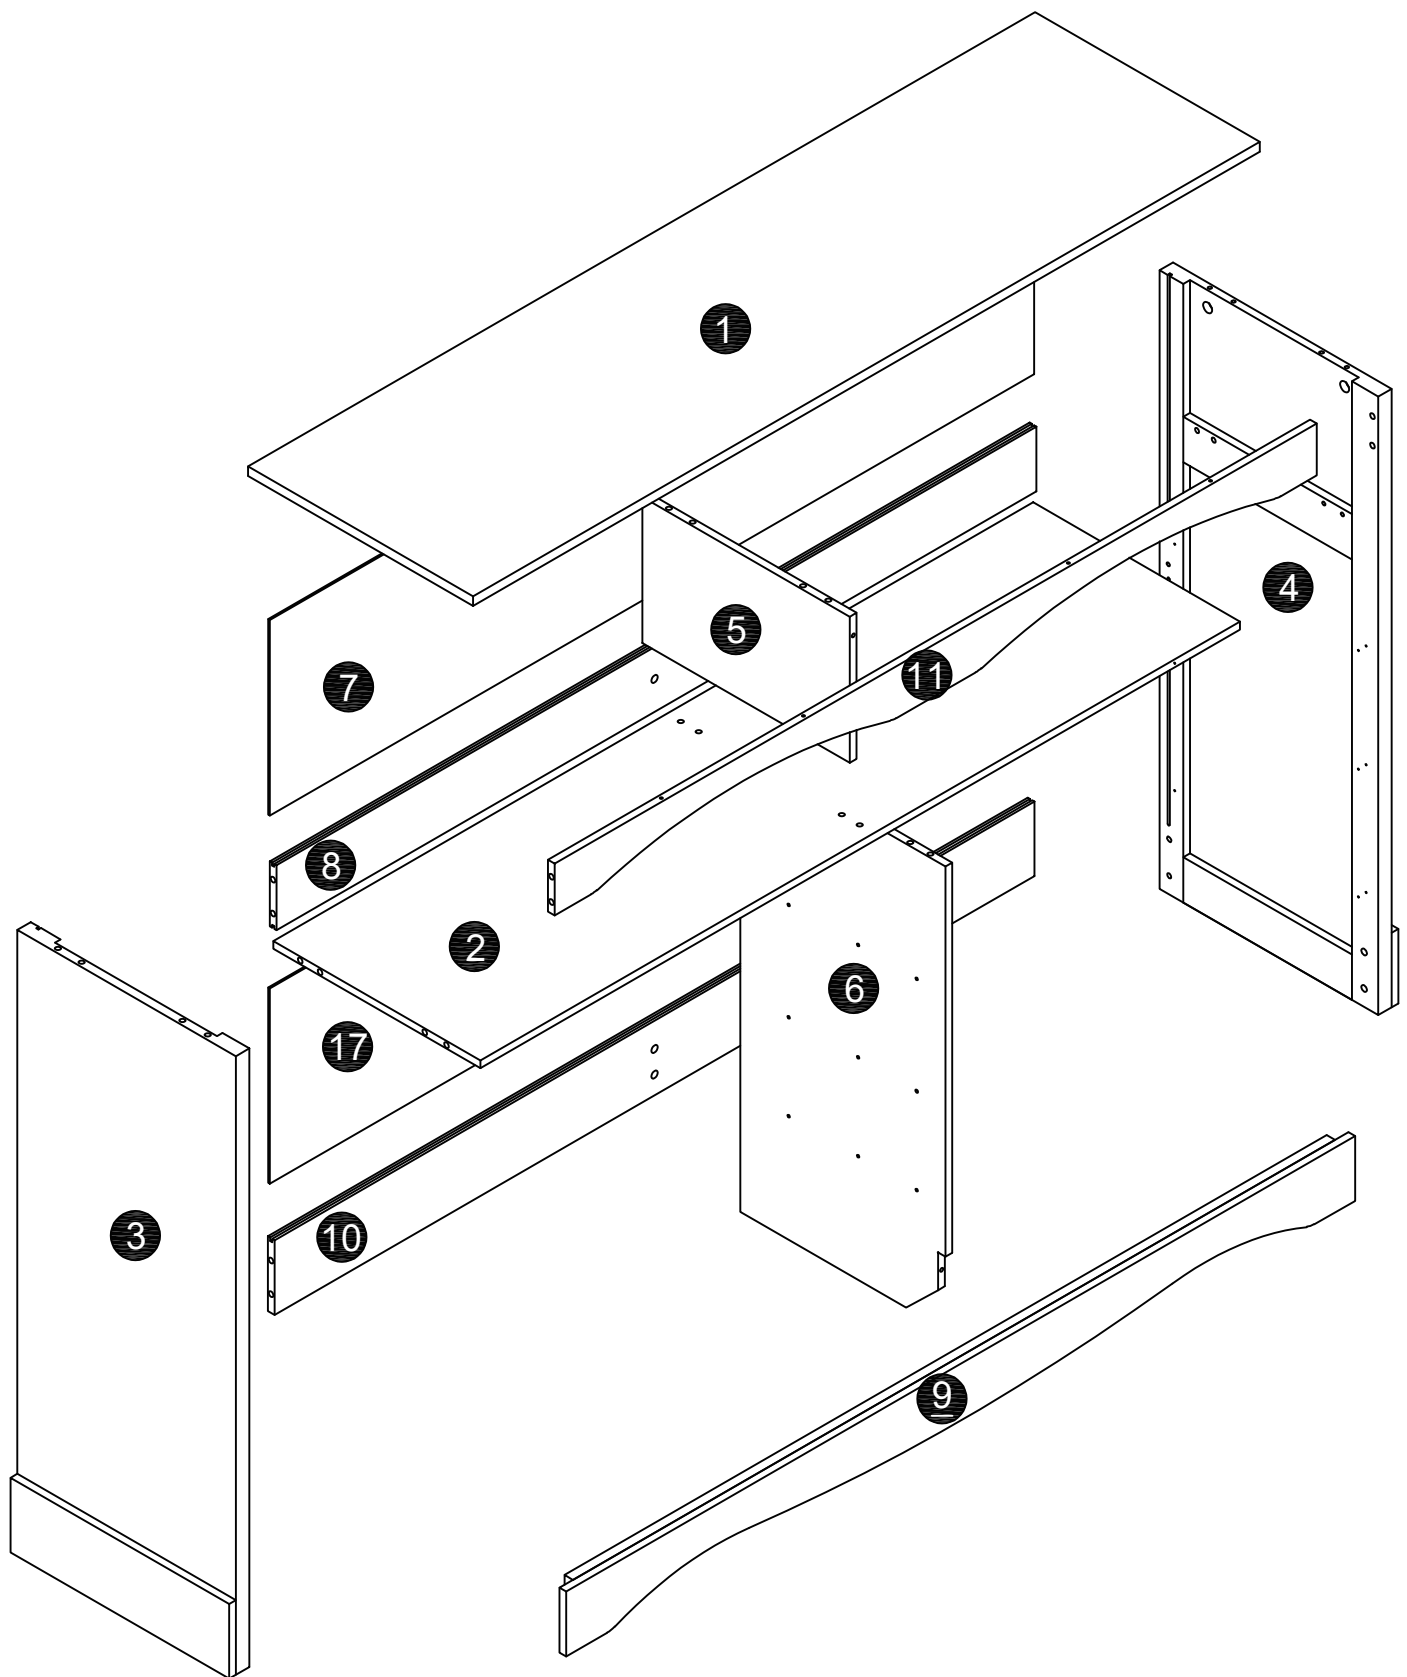

PRECAUTIONS

1. There are many components and accessories in the package. Each component and accessory is labeled with a letter or a number, check carefully before using any of them. Keep them away from children to prevent accidents.
2. Please install the product on a clean and soft underlay (such as carpet or cardboard) to avoid scratching or damaging the surface of the product.
3. The main components of the product is relatively heavy. Please pay attention to safety during installation.
4. The product is not stable during installation. Please do not move it randomly before it is completely installed.
5. If you have any questions during installation, please contact the customer service in time.

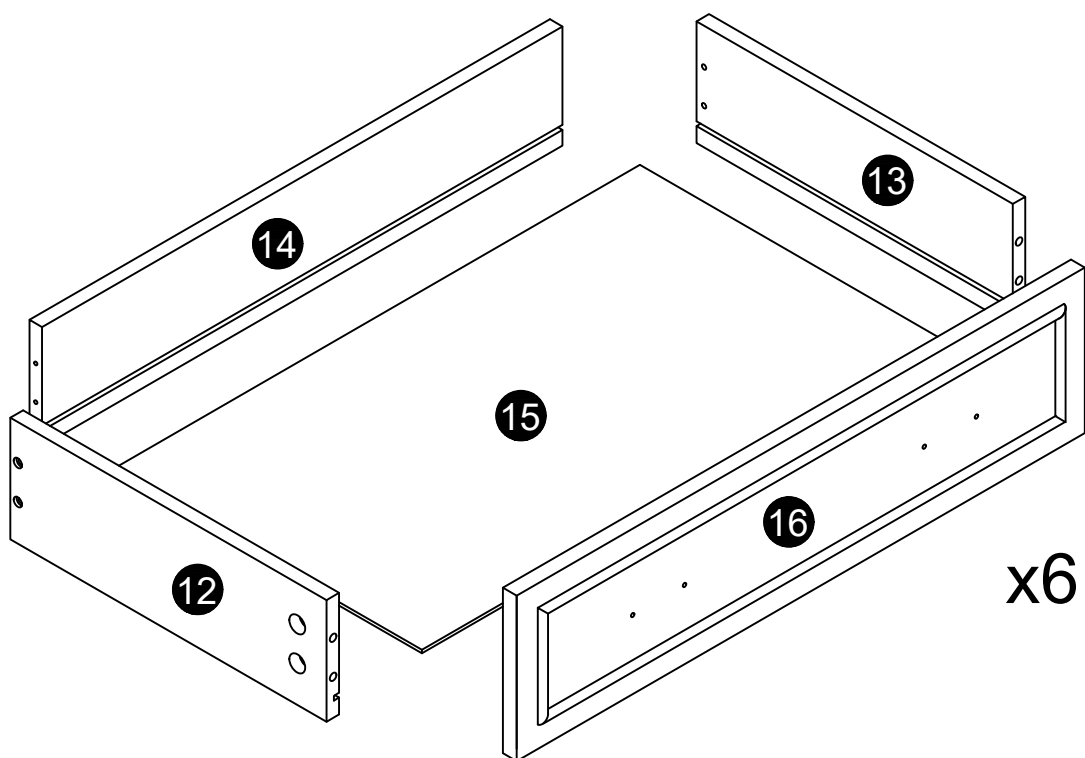

***PLEASE BE SURE TO FOLLOW THE INSTALLATION STEPS IN THE MANUAL TO AVOID UNNECESSARY LOSSES CAUSED BY IMPROPER INSTALLATION.**

***IF YOU NEED FURTHER ASSISTANCE, PLEASE CONTACT THE CUSTOMER SERVICE ONLINE.**

PANEL LAYOUT

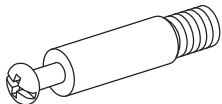

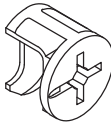

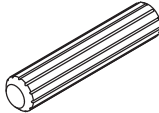

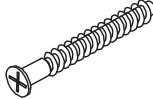

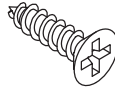

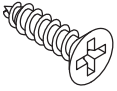

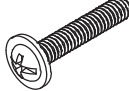

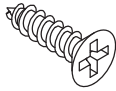

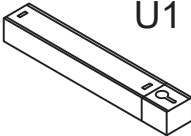

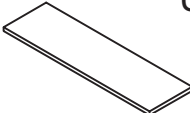

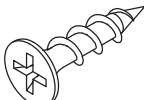

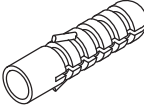

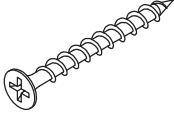

Due to the large number of boards, in order to facilitate the installation, please place the boards in order after opening the parcel and then start the installation.

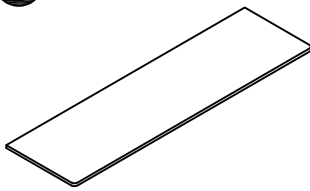

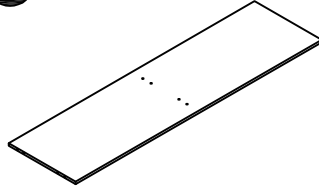

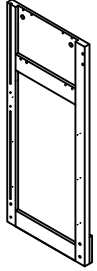

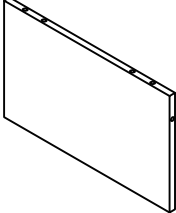

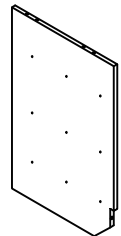

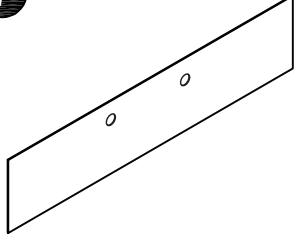

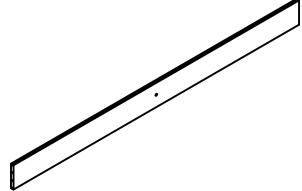

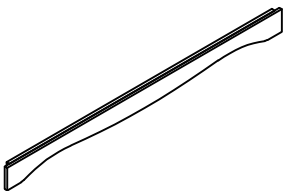

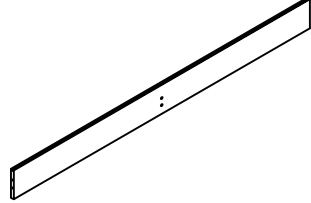

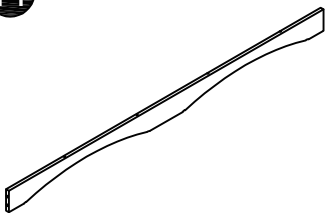

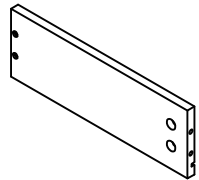

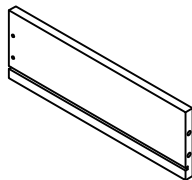

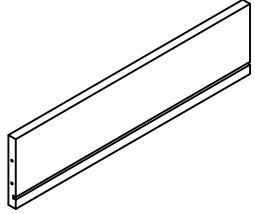

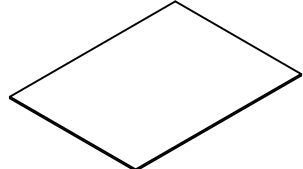

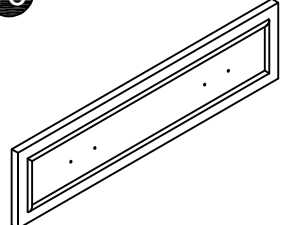

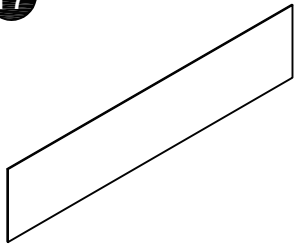

Due to the large number of boards, in order to facilitate the installation, please place the boards in order after opening the parcel and then start the installation.

TIPS

1. When installing the product, use a soft surface (such as carpet or cardboard) to avoid scratching or damaging the surface of the product.
2. Please try to use a manual screwdriver instead of electric screw driver. A manual screwdriver can be used to better control the tightness of the screws.
3. Do not use any glue.
4. The product is unstable before it is assembled. Please pay attention to the product installation sequence, and align all screws and screw holes before tightening.
5. The structure of this product can not meet the requirements of children climbing.

Before You Begin

- 1.Check the Package:** Verify that all components and hardware are present and in good condition before assembly.
- 2.Found an Issue?** Do not assemble the product if any parts are missing or damaged. Reach out to our customer service for help.
- 3.Need Assistance?** Include your order number and details of the issue when contacting us. We'll get back to you within 24 hours.

INSTALLATION STEPS

Customer Service Emails
US@JANFLY.COM

Ax24 

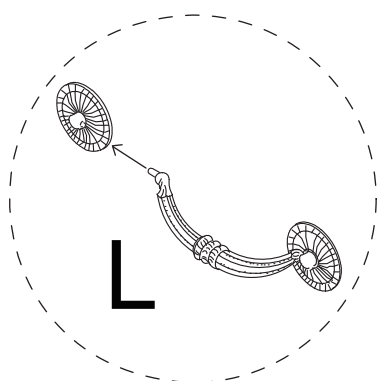

Mx24 

Lx12 

Step 1:
Install the round metal
washer on the left side.

Step 3:
Align the round washer on the right side
of the handle with the hole and tighten the M screw.

Step 2:
Connect the handle L
to the round metal washers
on both the left and right sides.

02

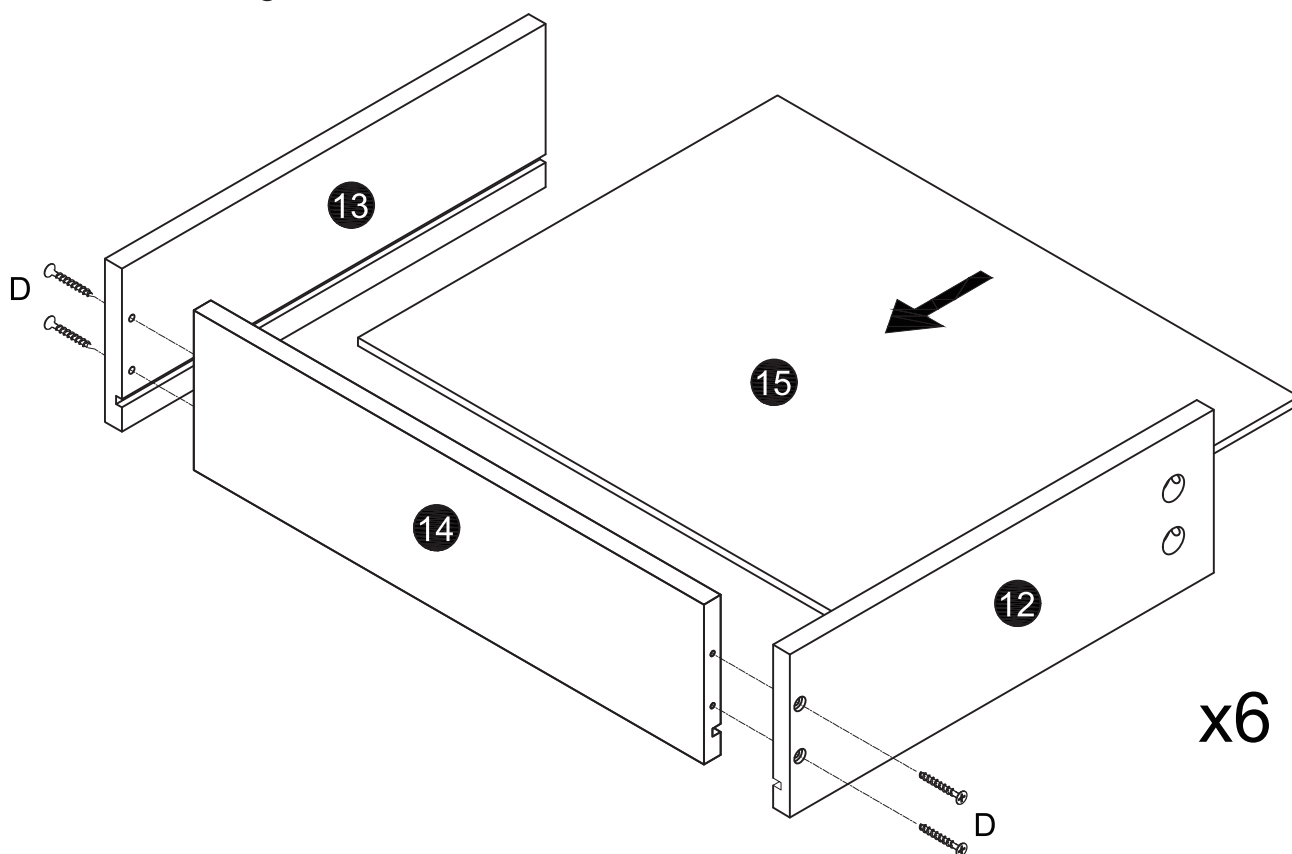

Note:

Dx24

STEP 1 Insert the bottom panel 15

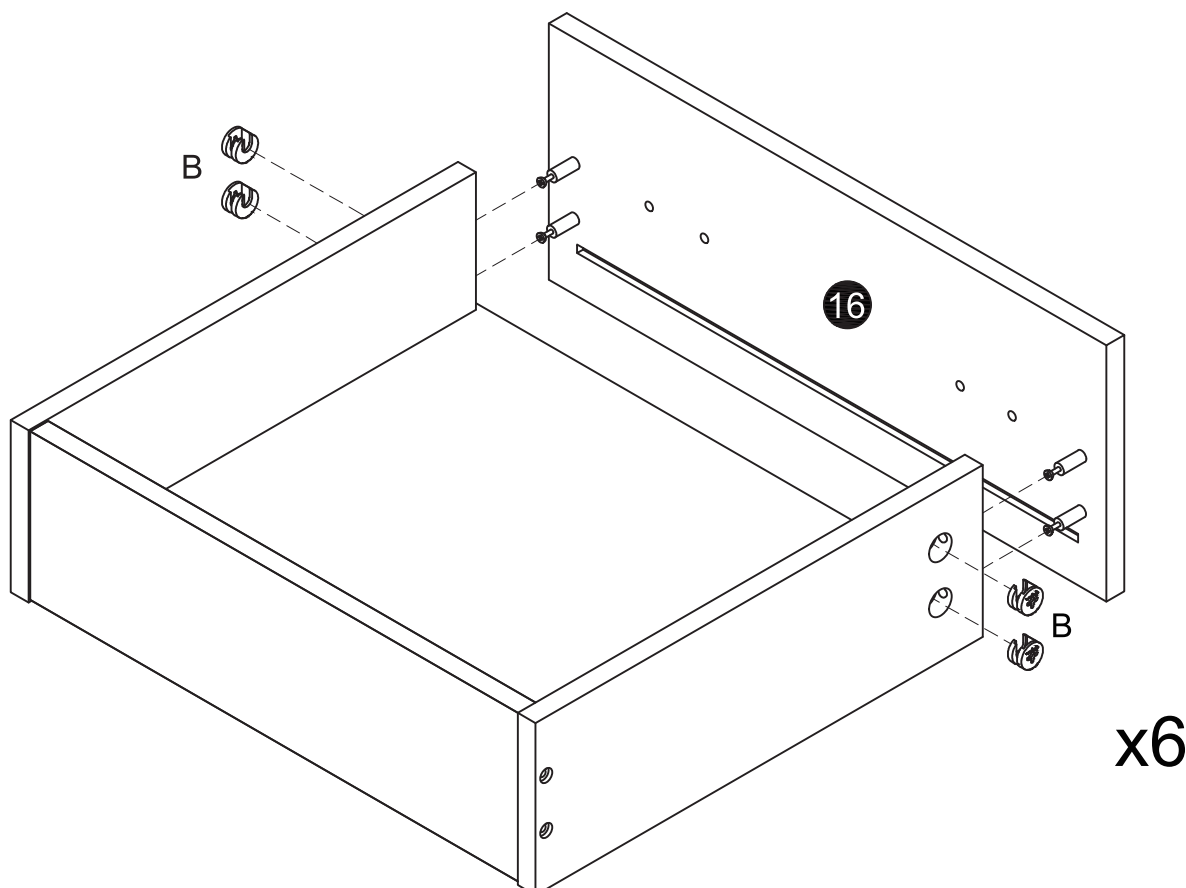

STEP 2 Align panel 15 with all the grooves and other 3 panels before installing the screws D.

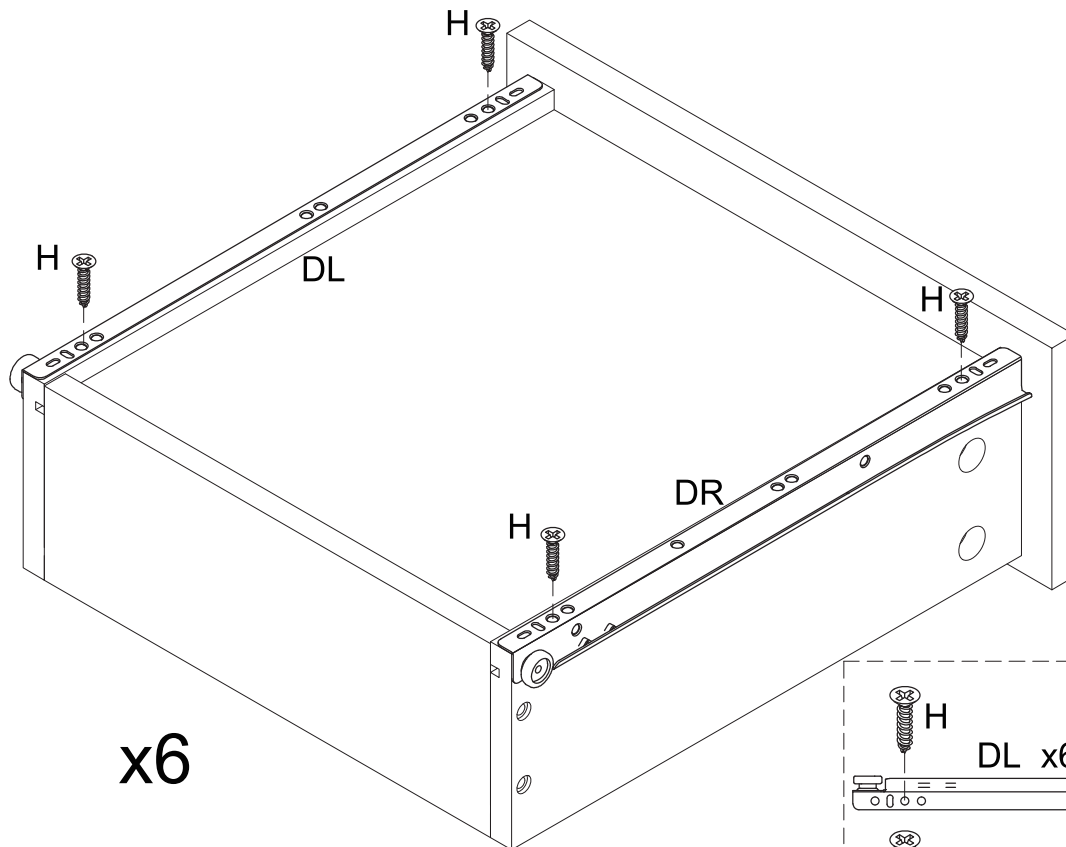

03

Note: Do not fully tighten the screws yet; wait until all holes, gaps, and panels are confirmed to be aligned before tightening them completely.
