1

Assembly requires two adults.

Take out the drawers.

We suggest to place the table upside down on a blanket to protect it from scratching.

2

	HARDWARE		QUANTITY
A	BOLT Φ 8 x 60		8
B	Washer Φ 8 x 19 x 1.8		8

Attach the legs using bolt (A) and washer (B).

3

Turn table over to all on self levelling of legs before tightening all bolts by using ring spanner (C), do not use power tool.

4

Refit the drawer, and turn the drawer stops down. ©
