

# HANGING A 5-PIECE CANVAS ART SET

OUR SIMPLE GUIDE BELOW OFFERS STEP-BY-STEP INSTALLATION TIPS FOR HANGING OUR 5-PIECE CANVAS SET. WHEN IT COMES TO HANGING A SET, THERE ISN'T NECESSARILY A WRONG WAY, BUT WE'RE HERE TO LEND A HELPFUL HAND IN SIMPLIFYING THE PROCESS!

**SUPPLIES NEEDED: • HAMMER • MEASURING TAPE • NAILS OR OOKS**

## 1 FIND THE CENTER:

Measure the width of the wall and mark the center.

## 2 FIND THE HEIGHT:

Suggested hanging height is 60" from the floor + half of your piece. Each piece measures 30" H. Add half of the piece height to the suggested hanging height. (EX.  $15" + 60" = 75"$ )

## 3 MARK THE HEIGHT:

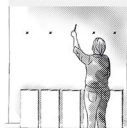

Mark the height of 75" from Step 2. Make sure it corresponds with our center measurement from step 1. This is your nail marker.

## 4 FIND HOOK SPOT DISTANCE:

Each piece measures 12" wide. Add desired panel distance apart. We chose 2". (EX.  $12" + 2" = 14"$ )

## 5 MARK THE HOOK SPOTS

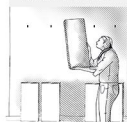

Starting from the center mark, measure and mark a hook spot at 14" and 28" to the right side. Then repeat on the left side of the center mark.

## 6 INSTALL:

Hammer or screw your hooks into all 5 marked spots.

## 7 HANG 5-PIECE SET:

Align the sawtooth hanger (located on back) with the hook on the wall and hang. Then repeat with the other 4 panels.
