24" LED Table Lamp

Bring modern sculptural lighting to your interior with the VONN Lyra 24" Integrated LED Table Lamp. Its distinctive silhouette pairs a broad metal shade with a softly illuminated frosted glass globe, creating a dramatic architectural statement from every angle.

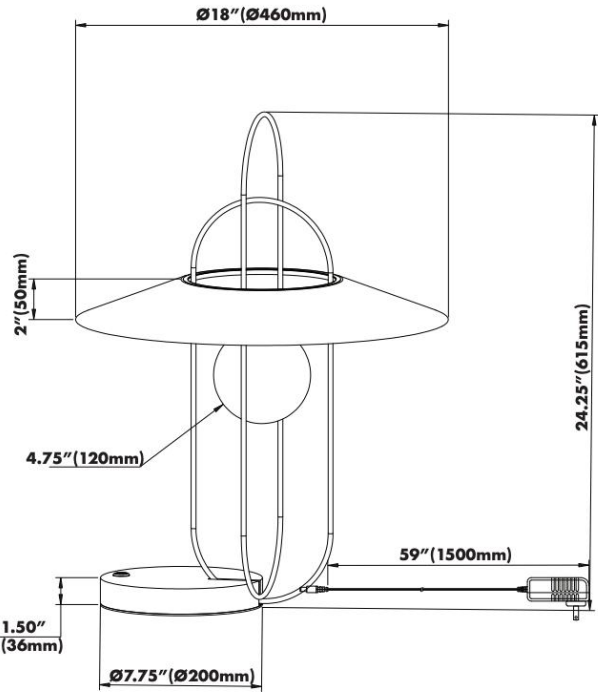

Designed for both atmosphere and everyday convenience, the Lyra produces a warm 3000K soft-white glow with CRI 90 color rendering. A four-way touch sensor built directly into the base provides convenient control, including three brightness levels - dim, moderate, and high - so you can easily adjust the mood without reaching for a traditional switch.

FEATURES:

- Integrated LED Table Lamp
- 24" Modern Table Lamp with Metal Plate and Frosted Glass Ball Shaped Shade
- Four-way touch sensor located on the base
- Iron Body, Glass Shade, Aluminum Plate
- Down and Ambient Lighting
- Dry Location Approved
- Residential & Commercial Application
