# 8-Light Clear Glass Shaded Cylinder Pendant

**Caution:** Please turn off power before installation and read the manual carefully, we advise you contact professional electricians to install for safety purpose.

**Product Features**

Style: Modern/Contemporary

Material: Metal, Glass

Color: Black

Base Type: E12

Light Source Included: No

Voltage: 110VAC

Wattage: 40W

**Package includes**

1 x Pendant Light

1 x Accessories Kit

1 x User's Manual

**Installation Instructions**

A: Pass the rod (13), lamp housing part (12), hanging chain (9), and canopy (5) in sequence through the main wire (7) and ground wire (4). Screw the rod (13) tightly onto the swivel joint (22), and then individually secure it to the threads (16 and 11).

B: Use nut (21) to connect and tighten the metal ring (14A) and the frame rod (15), insert the glass shade (19). Pass the small hole on the metal ring (14B) through the frame rod (15) from above and secure it with nut (21). Lift the glass clip (20) inside the metal ring.

C: Pass the canopy (5) through the hanging loop above the main wire (7), ground wire (4), and hanging chain (9). Then pass the main wire (7) and ground wire (4) through the mounting plate (3), and use the quick link (10) to connect the hanging chain (9) and the upper hanging loop.

D: Connect the live wire of the main wire (7) to the live wire, and connect the neutral wire of the main wire (7) to the neutral wire using the wiring cap (1). Be careful not to expose the wire to prevent leakage. Fixed the ground wire and the ground wire of the fixture (4) on the mounting plate (3) through the green screw (2).

E: Cover the junction box with the canopy (5), securing it with the ring (8) of the hanging chain (9). Tighten the bulb (not included) (17) onto the lamp holder (18).

**Note:** please use this product accordingly to its intended purpose, do not retrofit or remodeling the product. The warranty does not cover if the failure is caused by the third party product, or natural disasters.
