

 **realflame**

Crawford

Part of Real Flame's exclusive Slim Series, the Crawford mantel is the next generation of electric fireplace with a mounting depth of only 9.5". Classically trimmed & finished with fluted columns for a realistic, built-in look. The features include remote control, programmable thermostat, timer function, brightness settings and ultra bright Vivid Flame LED technology. Available in Chestnut Oak and White finishes. For safety, this unit must be anchored to a wall using the included hardware. The Vivid Flame Electric Firebox plugs into any standard outlet for convenient set up.

Finishes Available:

Chestnut Oak (above, left)
White (right, below)

8020E
