

# TWEET & BATHE

INNOVA HEARTH & HOME INC

## Model: C833

### Parts List

Part #	Description	Quantity	Part #	Description	Quantity
A	Birdbath Bowl	1	AA	Slotted Set Screws	6
B	Center Post	1	BB	Washers	6
C	Base	1	CC	Nuts	6
			DD	Safety Cap Nuts	3

### Friendly Reminders

- \* During assembly, place the empty carton beneath the casting parts to protect the finish from damage
- \* Do not over-tighten! Aluminum is a soft metal, insert screws carefully and don't over-tighten.
- \* HOUSEHOLD TOOLS REQUIRED:  
Adjustable wrench and Philips screwdriver

1. Turn the Birdbath Bowl (A) upside down on a soft surface. Insert 3 Slotted Set Screws (AA) into the threaded receptacles. Loosely tighten with Philips screwdriver. Attach the Center Post (B) onto the Bowl (A) using 3 Washers (BB) and 3 Nuts (CC). Tighten with adjustable wrench. Install 3 safety cap nuts (DD).

2. Insert 3 Slotted Set Screws (AA) into the threaded receptacles on the other side of the Center Post (B). Tighten with Philips screwdriver. Attach the Base (C) onto the Center Post (B) using 3 Washers (BB) and 3 Nuts (CC). Tighten with adjustable wrench.

3. Turn the whole birdbath right side up. The birdbath is now ready for use.

### Special Notes

This birdbath is made with an old world, traditional hand-crafted look. Because of the nature of cast iron or aluminum, you may find roughness on the surface of the design. Slight pinholes are also present in the metal casting that is customary to hand-crafted original iron work. These irregularities enhance the individuality of the piece. They should not be considered defects.

### Care and Maintenance

1. Should the finish get scratched down to the metal surface, cover the scratched area with enamel paint as soon as possible to prevent rust.
2. Cleaning - Use mild soap and water. Do not use harsh abrasive material, cleansers or bleach products. Rinse with clean water and dry thoroughly with rags or direct sunlight.
3. Periodically check and tighten all bolts.
