

Linen Glass Sconce

With its stylish simplicity, the Linen Glass Sconce is a fitting, classic choice for adding extra lighting to any transitional interior. A Brushed Nickel frame and metal bands hold a clean, etched glass shade in its place as it emits soft, comfortable light wherever it calls home.

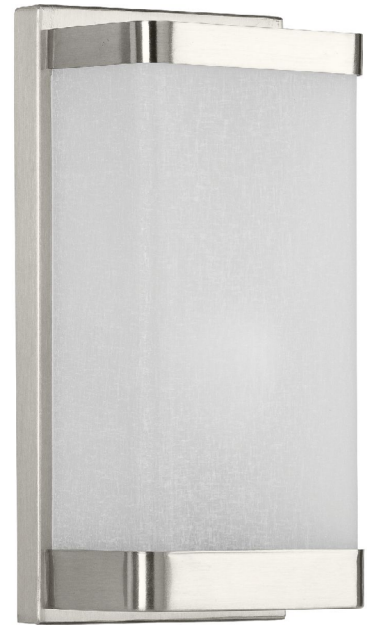

- Simple and modern form is ideal for transitional interiors
- One-light wall sconce with etched glass held by metal bands on its top and bottom
- Textured, etched glass emits soft, comfortable light
- Finished in subtly reflective Brushed Nickel
- Measures 6 in width X 12 in height, Extends 4 in
- Uses one 75-watt max medium base bulb, or LED equivalent, that is sold separately
- ADA compliant
- Includes installation instructions and mounting hardware
- Progress Lighting products are designed for exceptional quality, reliability, and functionality
