A beautiful, robust cabinet with classic elements, that is the Organize cabinet from the new collection of BePureHome. The Organize cupboard (215x110x44 cm) is made of solid FSC certified pine, lacquered in a tough black color and has a sanded finish. The two upper doors are glazed, making the cabinet perfect for displaying your accessories.

The doors are fitted with mouldings and a metal handle along the entire length of the door in a black finish. The interior of the cabinet consists of 3 shelves over the entire width of the cabinet. On the underside of the cupboard there is also 1 wide shelf over the entire width of the cupboard behind the two smaller doors.
