WARNING : ASSEMBLY NOTICE

Attention

Important Instructions for Assembling Your Furniture To ensure the longevity and integrity of your MDF furniture, please adhere to the following guidelines:

DO NOT USE AN ELECTRIC DRILL

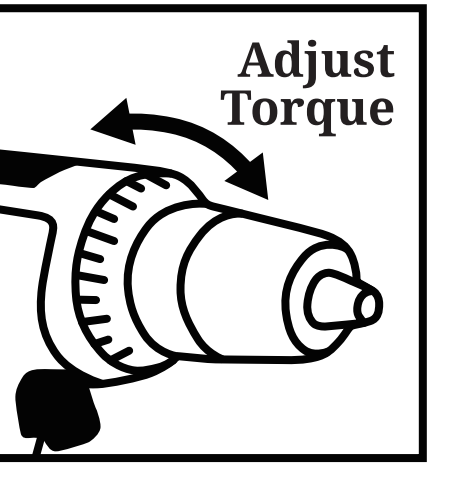

Using an electric drill can cause irreversible **damage to the MDF boards,** leading to compromised structural integrity and potential voiding of your warranty.

IF AN ELECTRIC DRILL MUST BE USED

· Set to Lowest Torque Setting :
Ensure your drill is set to the lowest possible torque setting to avoid over-tightening and damaging the material.

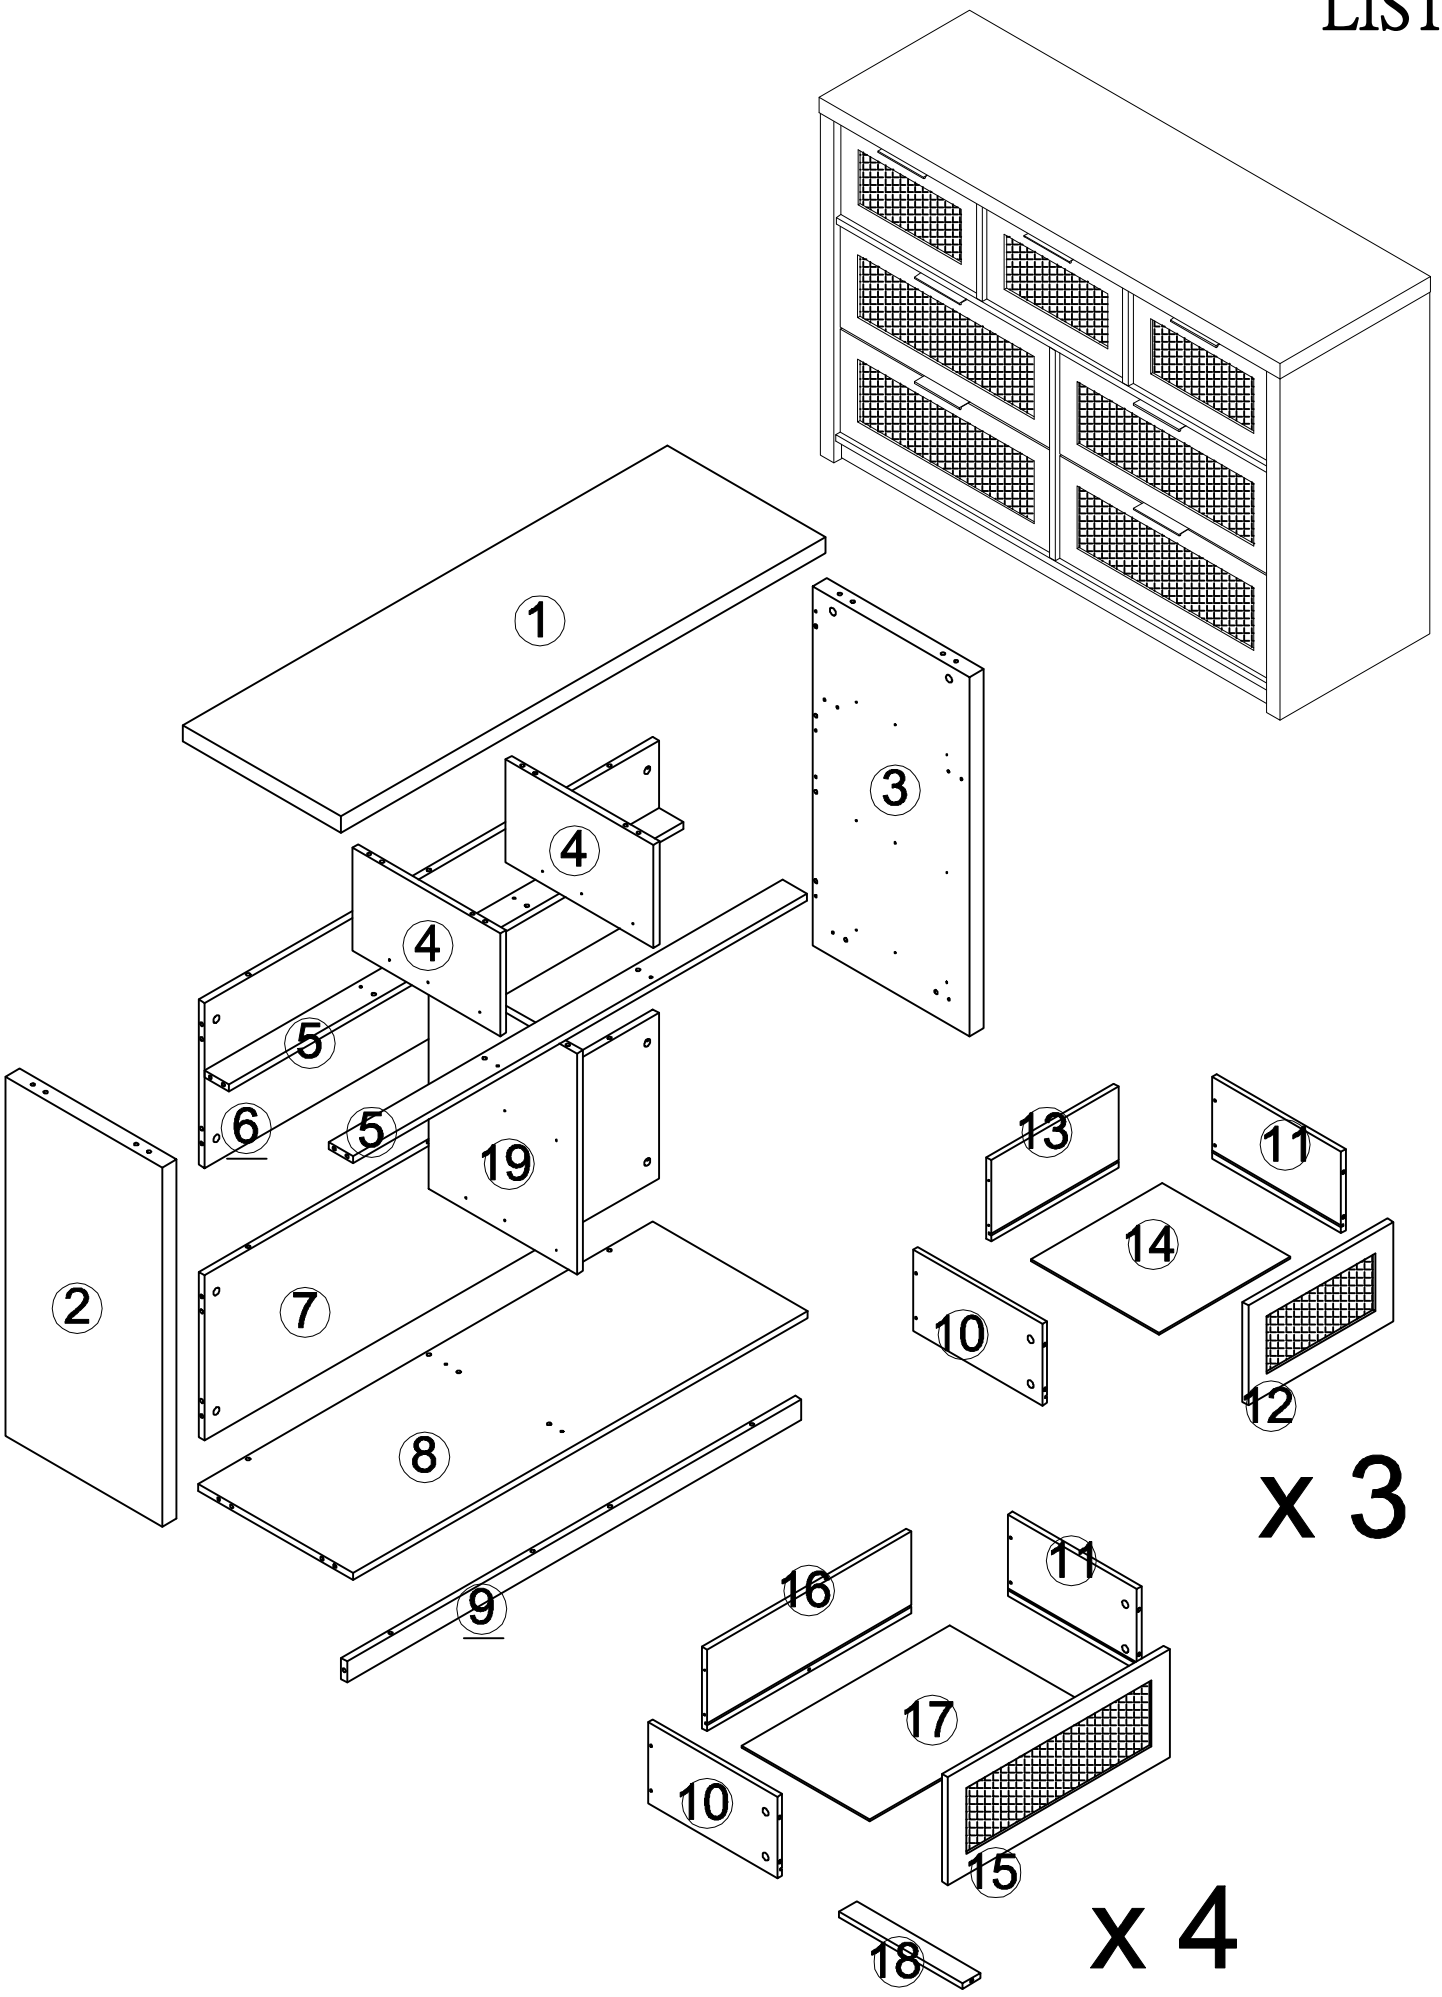

· Proceed with Caution :
Carefully monitor the drilling process to prevent excessive force and damage.

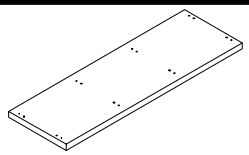

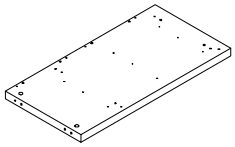

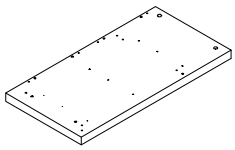

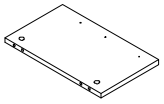

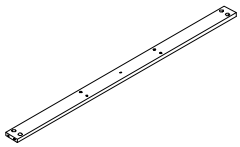

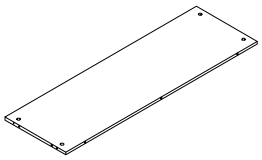

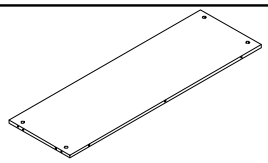

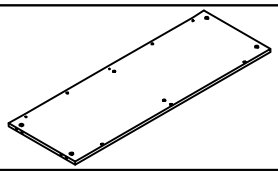

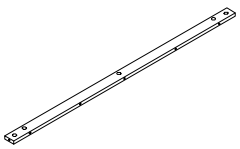

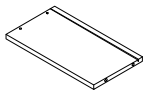

For best results and to avoid any damage, we highly recommend using the provided manual tools or a handheld screwdriver.

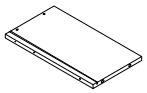

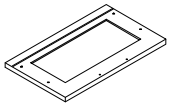

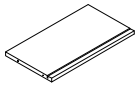

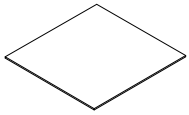

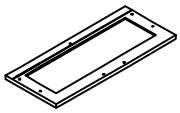

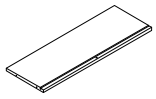

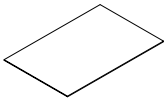

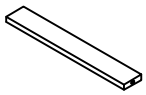

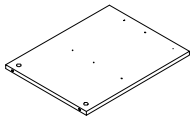

Thank you for your attention and understanding.
