

JULIAN CHICHESTER

Rivington Chest

SKU 5498.LAW.000

The Rivington is a sculptural Chest, with small, extended wings, sitting on rounded legs. The piece is finished in a gorgeous oiled Light African Walnut with contrasting Aged Brass detail on the legs and escutcheons.

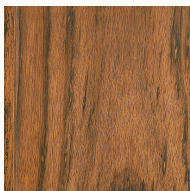

Our African Walnut is a beautiful close-grained veneer, sealed and finished by hand using natural Tung Oil, therefore variations in depth of colour is inevitable.
