Description The DreamLine Aqua Fold is a Bi-Fold shower or tub screen that has a modern design with a European flare. The Aqua Fold features a trackless style and a continuous self-centering pivot that will add style and create an open, inviting shower space. The DreamLine Aqua Fold model will transform your bathroom with charm and style to match its functionality.

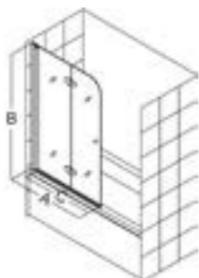

- Features**
- Available as a Shower or Tub Screen configuration
 - Great choice for smaller bathrooms, where a swing or sliding door will not work
 - Continuous self-centering pivot allows rotation into and out of the shower or tub
 - Bi-Fold design allows for a wide entry, while using minimal space
 - Reversible for a right or left wall installation to fit your specific layout
 - Quality 1/4" (6mm) thick ANSI certified clear tempered glass
 - Shower Screen can be matched with any SlimLine shower base 36" or wider (base sold separately)
 - Tub Screen can be combined with an optional Extender or Return Panel
 - Extender/Return Panels feature 5/16" glass attached to the wall and bottom by 3/4" Aluminum U-Channel
 - Anodized aluminum wall profile allows up to 3/8" adjustment for out-of-plumb (uneven walls)
 - Available in Chrome Finish
