Marius Wall Clock 625707

Not only is the iron wall clock an oversized timepiece, but it's also a work of art that captures a sense of grandeur at first glance. This Marius Oversized Wall Clock a show-stopping accessory that's designed with sturdy wrought iron. This analog wall clock offers a touch of old-world charm coupled with contemporary charisma. It's so versatile that it can be hung up anywhere.

Flawless Concept: This analog wall clock is simply flawless. The open frame allows for a cool, crisp, and fuss-free design that feels distinctly modern, yet the wrought iron conveys a hint of the past. The center dial features applied metal Roman numerals in an aged, richly textured charcoal finish. By contrast, the wooden panel in the middle bears a distressed gray finish. Its most distinctive focal point is its dramatic opening, which allows a peek at the aged silver pendulum dangling behind. Even the hour and minute hands are finished in aged charcoal. The end result is a perfectly balanced, dynamic statement piece perfect for a living room, office, or entryway.

Quartz Movement: Quartz, battery-operated movement requires 2 AA batteries.

Howard Miller: Founded in 1926 and still family-owned in its third generation, Howard Miller is the world's leading clock company and a respected brand name in fine specialty furnishings such as curio cabinets, wine & bar furnishings, custom storage cabinets, and SmartMoves® adjustable height desks.
