

Natural Element Non-Slip Insert Trays

NEAT PRESENTATION AND NON-SLIP GRIP

Our **Natural Element Hydro-Dipped Serving Trays** have a removable rubber insert great for serving in bars and restaurants. Its rubber surface keeps glasses and plates from sliding during service and the rubber bottom keeps it from slipping from your hand. Trays are stackable for neat and organized storage. Now available in three natural element patterns: white marble, light wood, and dark wood.
