

Defining Life's Brighter Moments

We believe that better products make for better lives. We strive to create products that utilize the best technology, incorporate features that benefit the end user and integrate stylish design elements for an attractive look that fits into any living environment. Form and function go hand in hand for us and improving upon the existing design is our mission.

Assembly Instructions

How To Use

Simply press the power button on the foot switch located on the cord by the base of the lamp.

Product Features

We offers a beautiful update to any living environment. This sleek yet stylish floor lamp features a cloth lamp shade, metal tripod legs and a convenient on/off foot switch at the base of the lamp. An all black finish completes the look for what is sure to be an alluring contemporary addition to any living space.

Bulb Requirements

The product comes with an included LED bulb. The Alexandria accepts standard E26 bulbs with a max wattage of 12W for LED bulbs and 60W for incandescent bulbs.
