

Assembly Instructions for Model HL1292119

(This product can be installed by following similar steps. If you have any questions, please contact our customers for help.)

1 Suction cup accessories

Mounting plate *1, Ceiling disc *1, Gecko *2,
Self-tapping screws *2, Locking caps *2

2 Drilling holes, Hammering in geckos

1. Determine hole spacing and drill holes in the ceiling using an impact drill.
2. Hammer the geckos into the holes.

3 Securing the mounting plate

Secure the mounting plate to the ceiling with self-tapping screws.

4 Thread the wires

Thread the wires through the mounting plate at once.

5 Connect the wires

1. Adjust the length of the wires.
2. Make a secure knot above the mounting plate.
3. Connect the wires using wire caps or electrical tape.

6 Fixing suction cups, securing wires

1. Place the suction cups on the ceiling and secure them with copper pieces.
2. Adjust the wire length again.
3. Secure the wires with adhesive screws.

Your fixture is now assembled and ready to use.
