Allen Key provided

Please cover floor with corrugated cardboard / paper / carpet
to avoid scratches / damages to floor

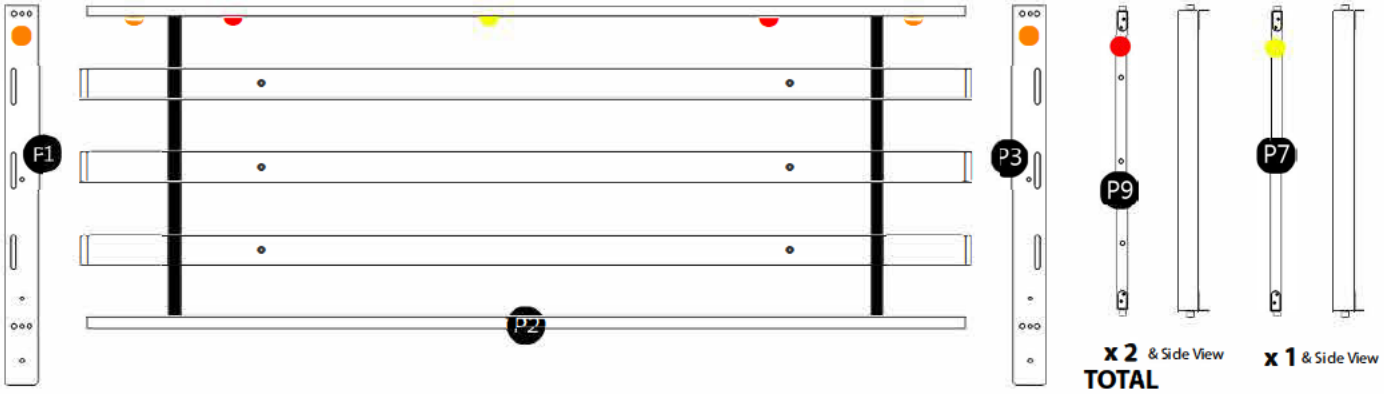
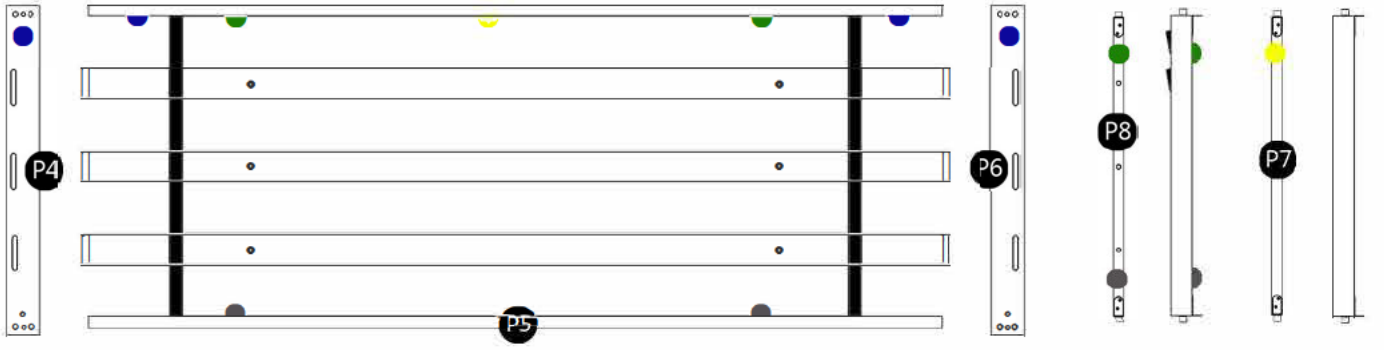
Assembly Checklist

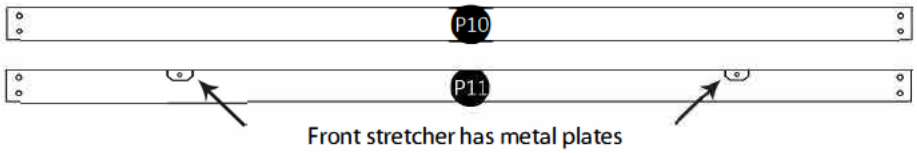
Please make sure that you have all of the below items before you start. If any are missing, please contact us for a replacement.

Parts supplied for assembly

Box A



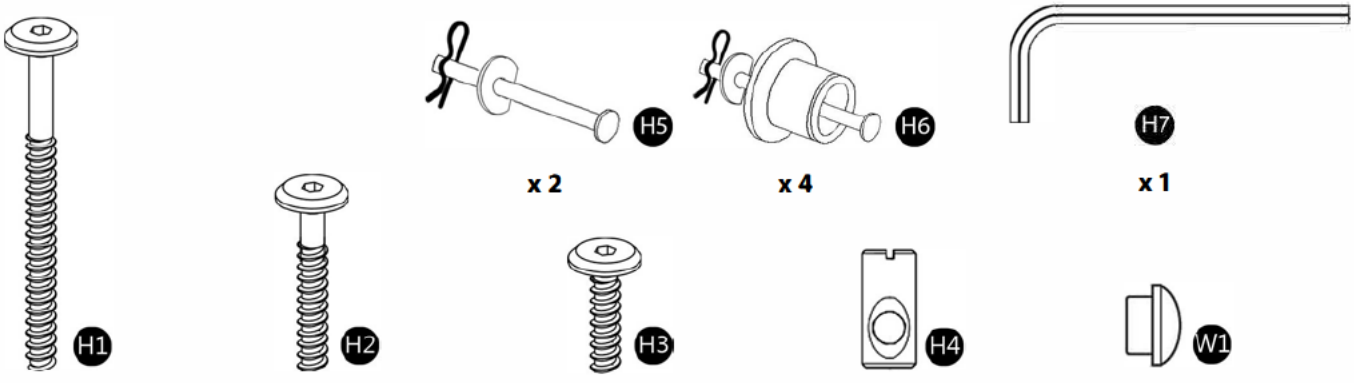




Front stretcher has metal plates

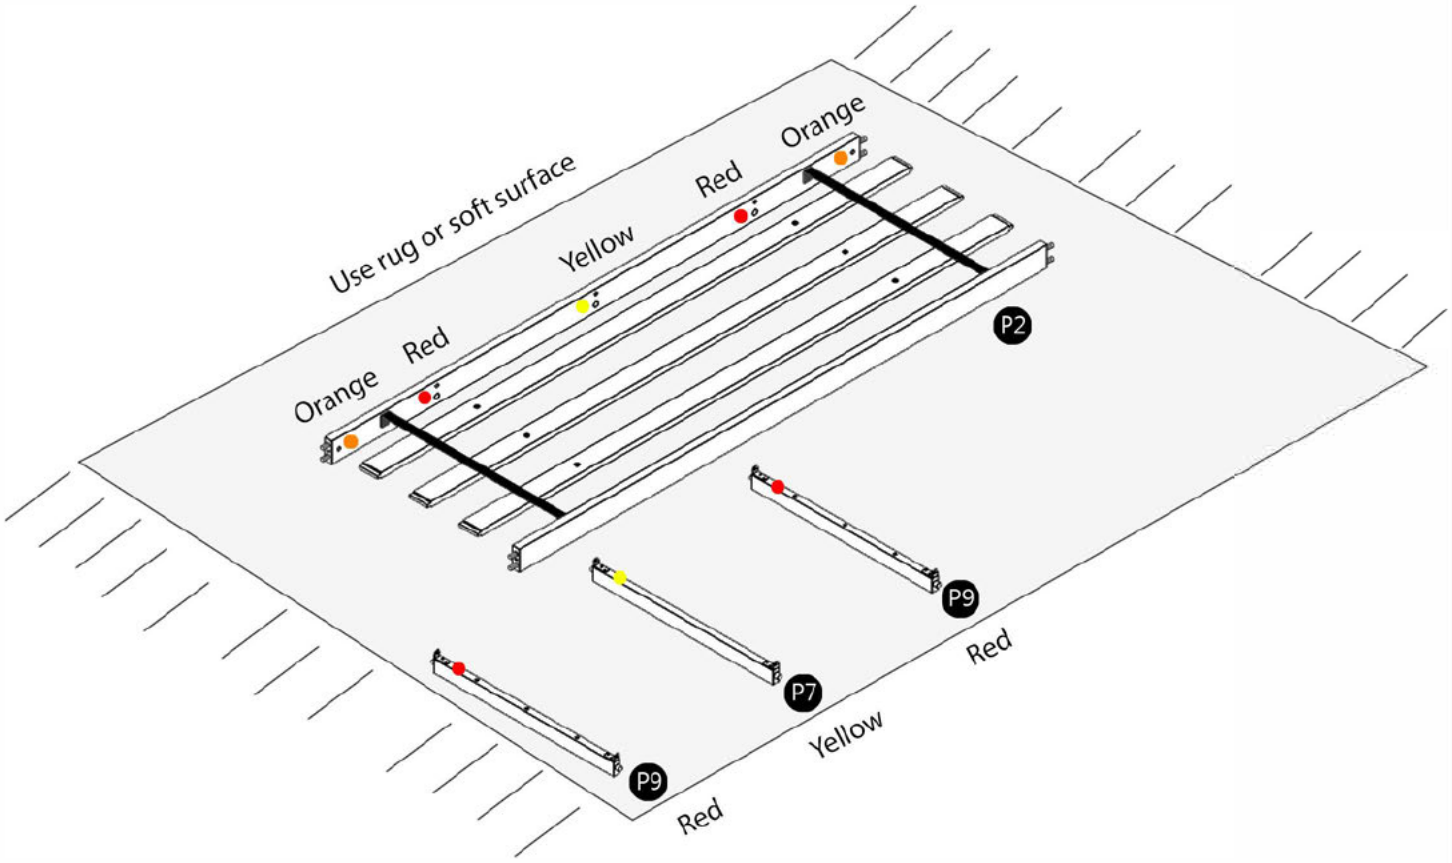
Hardware supplied for assembly

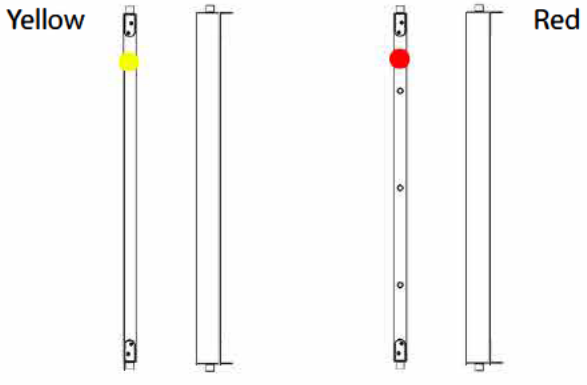
Tools required for assembly:
- Allen Key (supplied)



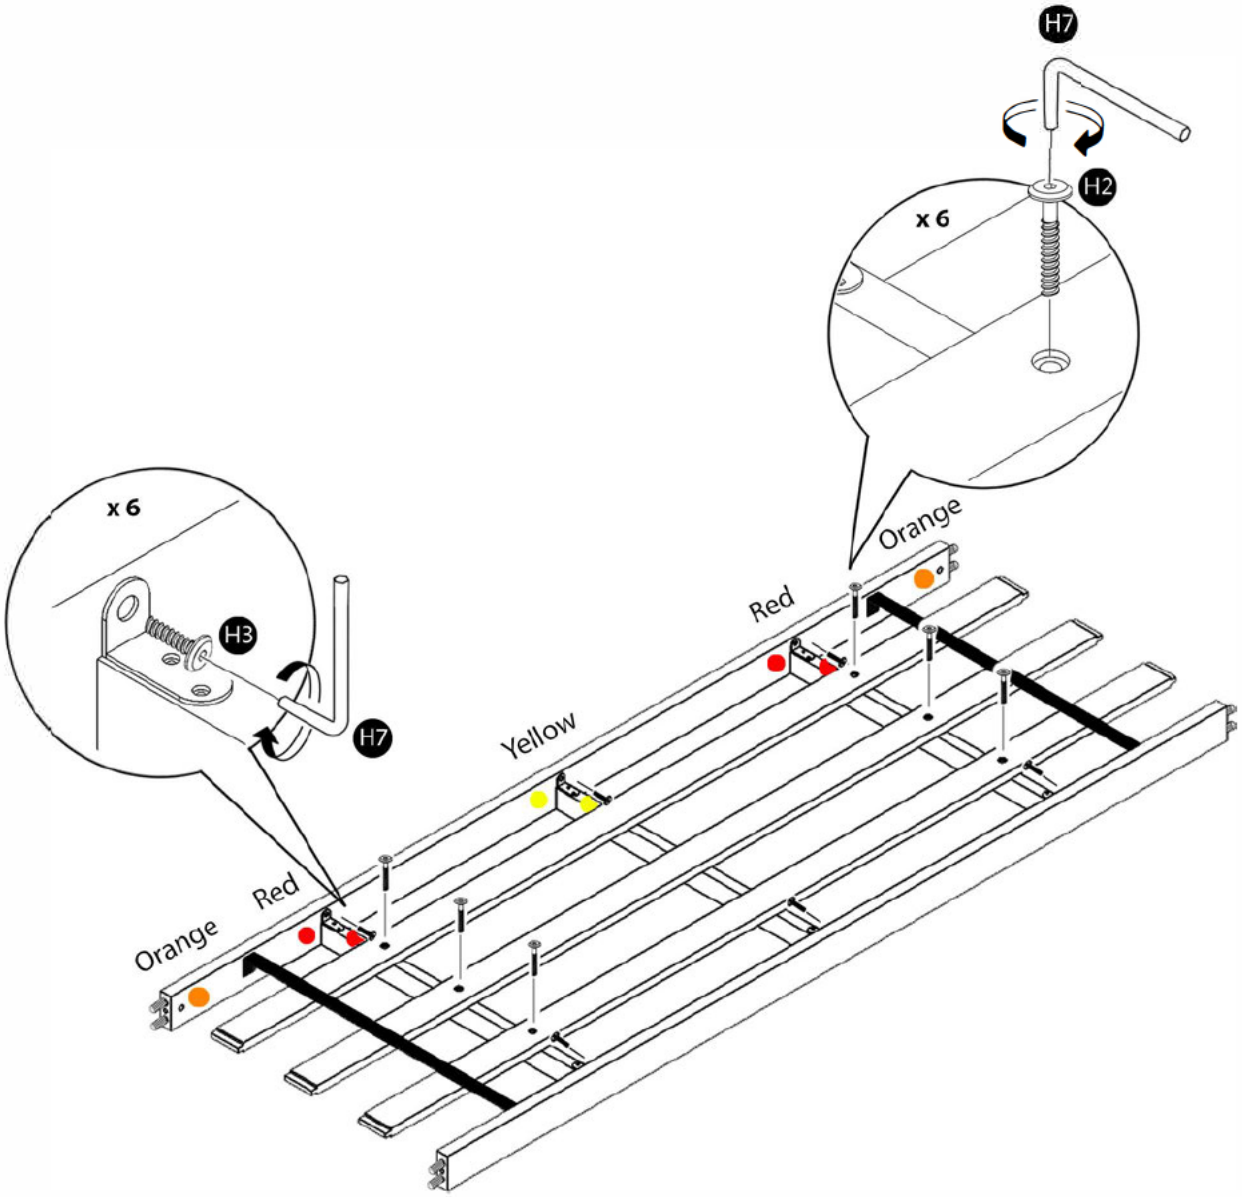
Step 1: Locate parts P2, P9(2), & P7

Use colored dots to align parts for connection.

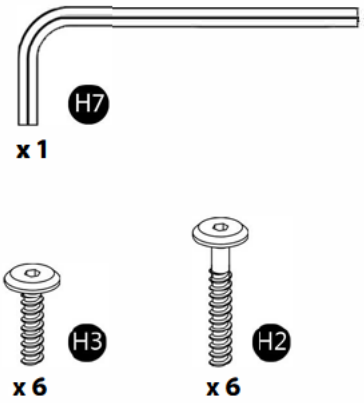




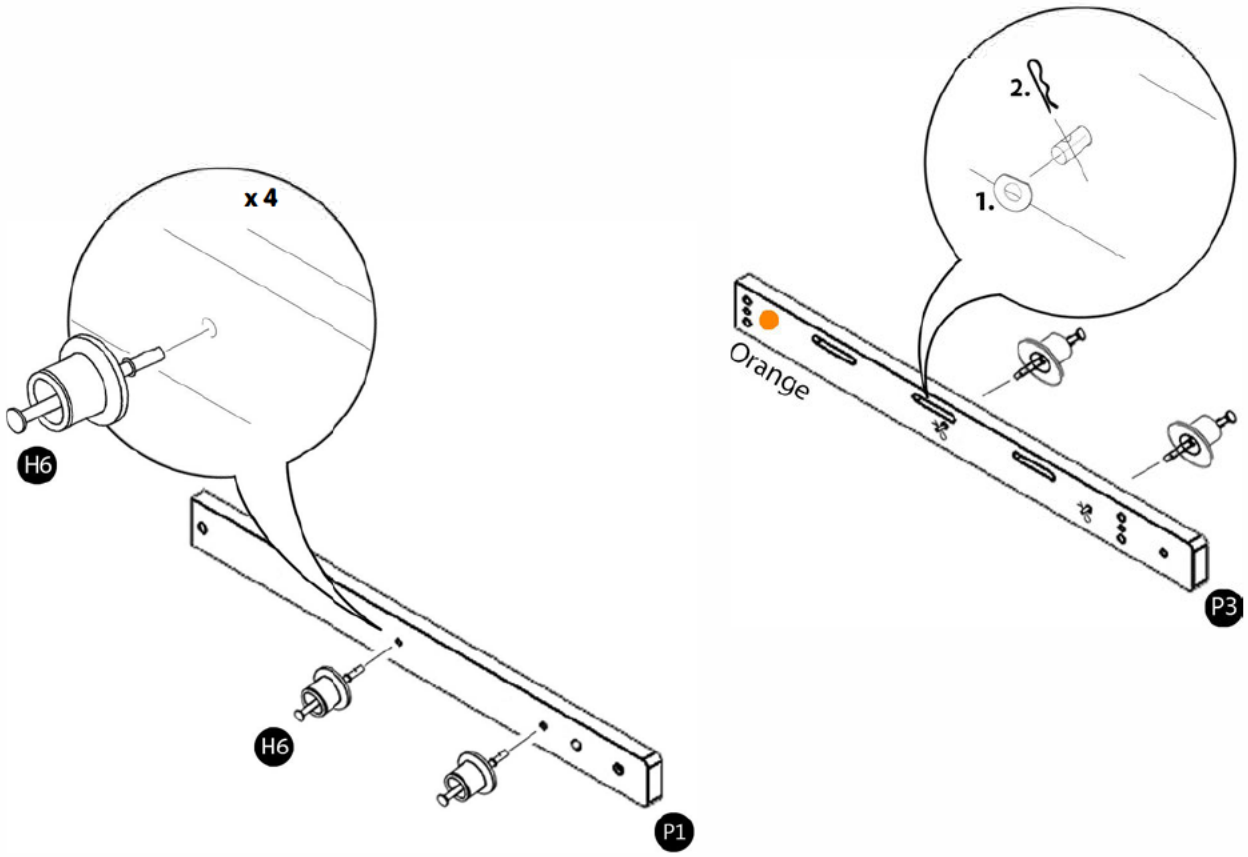
Step 2: Attach P7 and P9(2) to P2 with hardware as shown

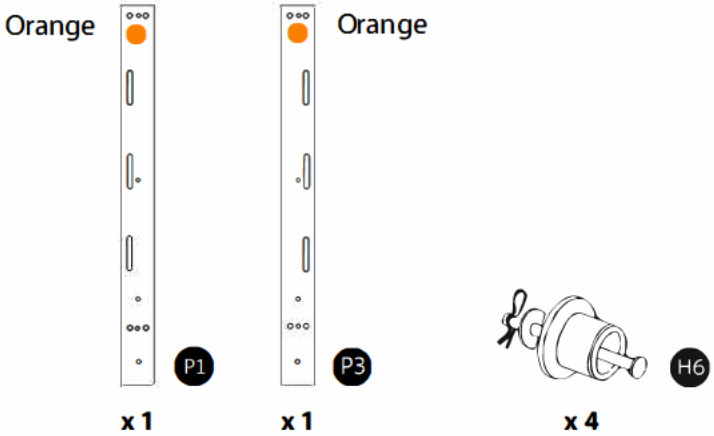


Loosely attach H2 and H3 bolts.



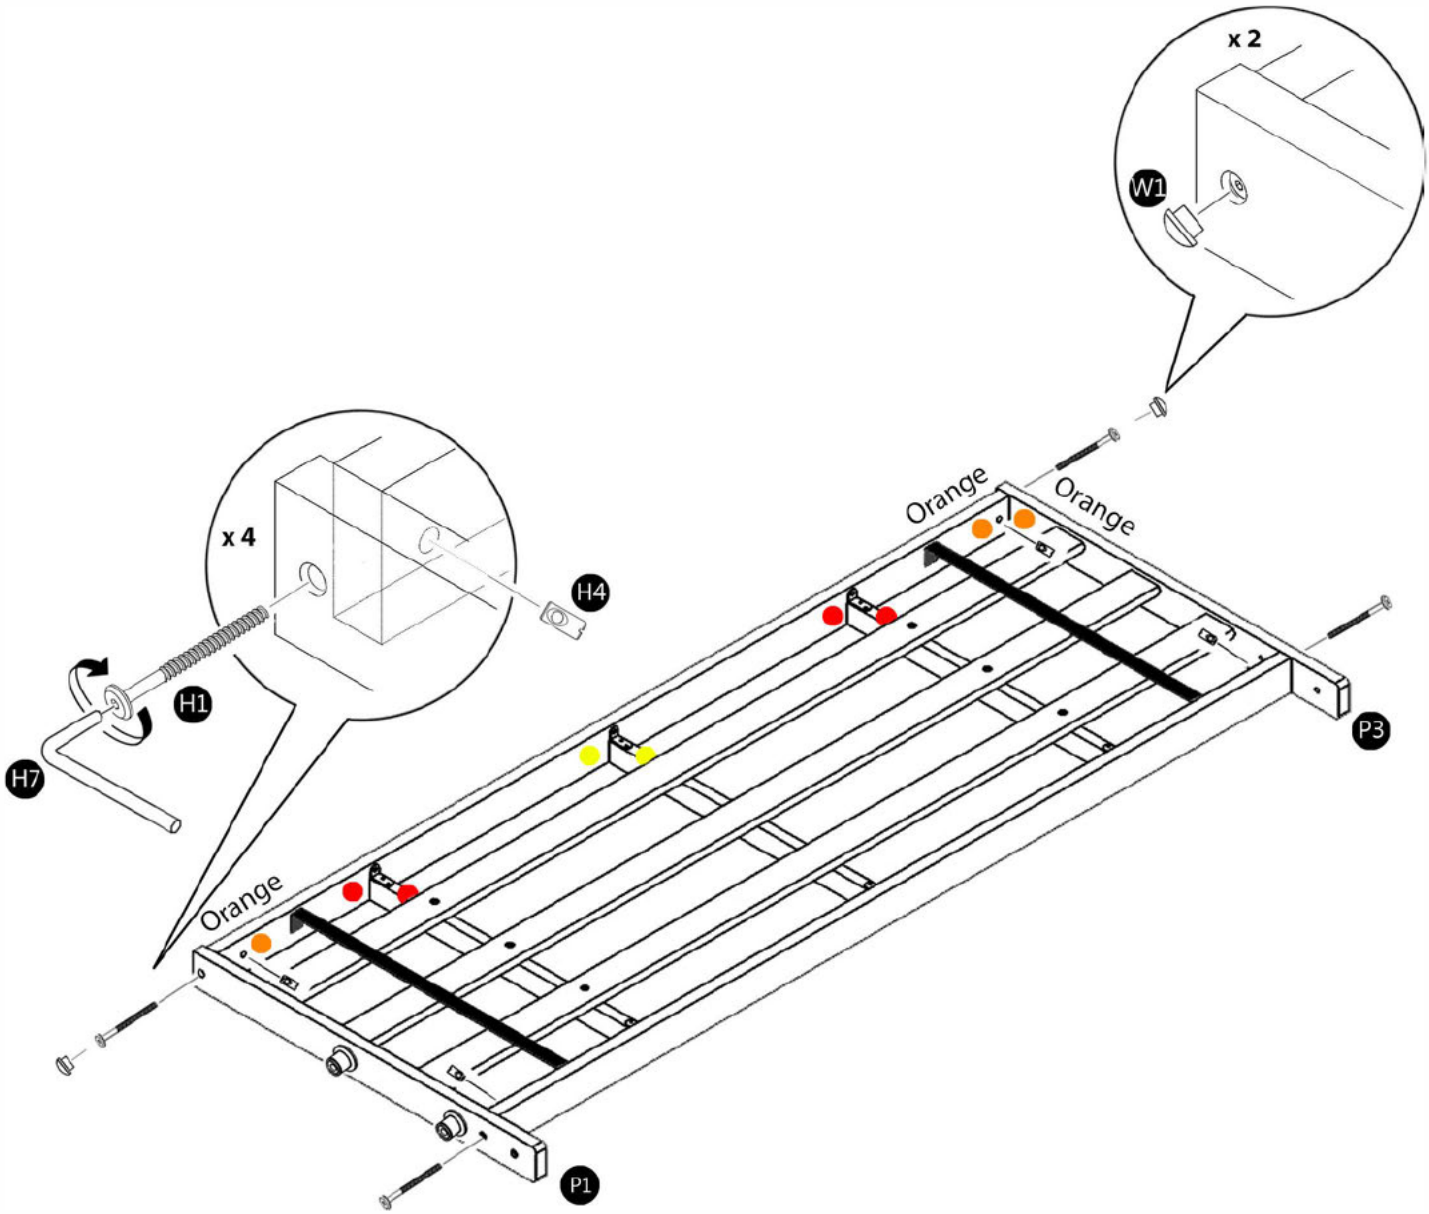
Step 3: Attach four nylon guides (H6) as shown



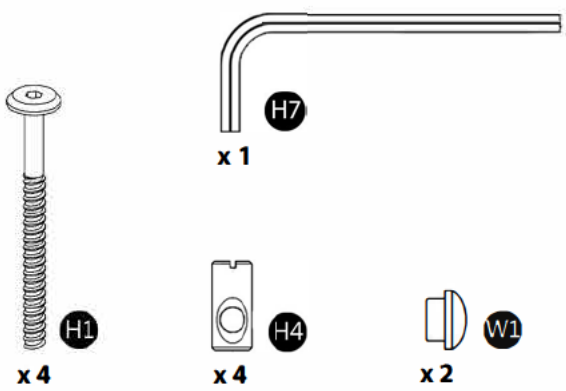


Step 4: Attach P1 & P3 to back deck P2

Use colored dots to align parts for connection.

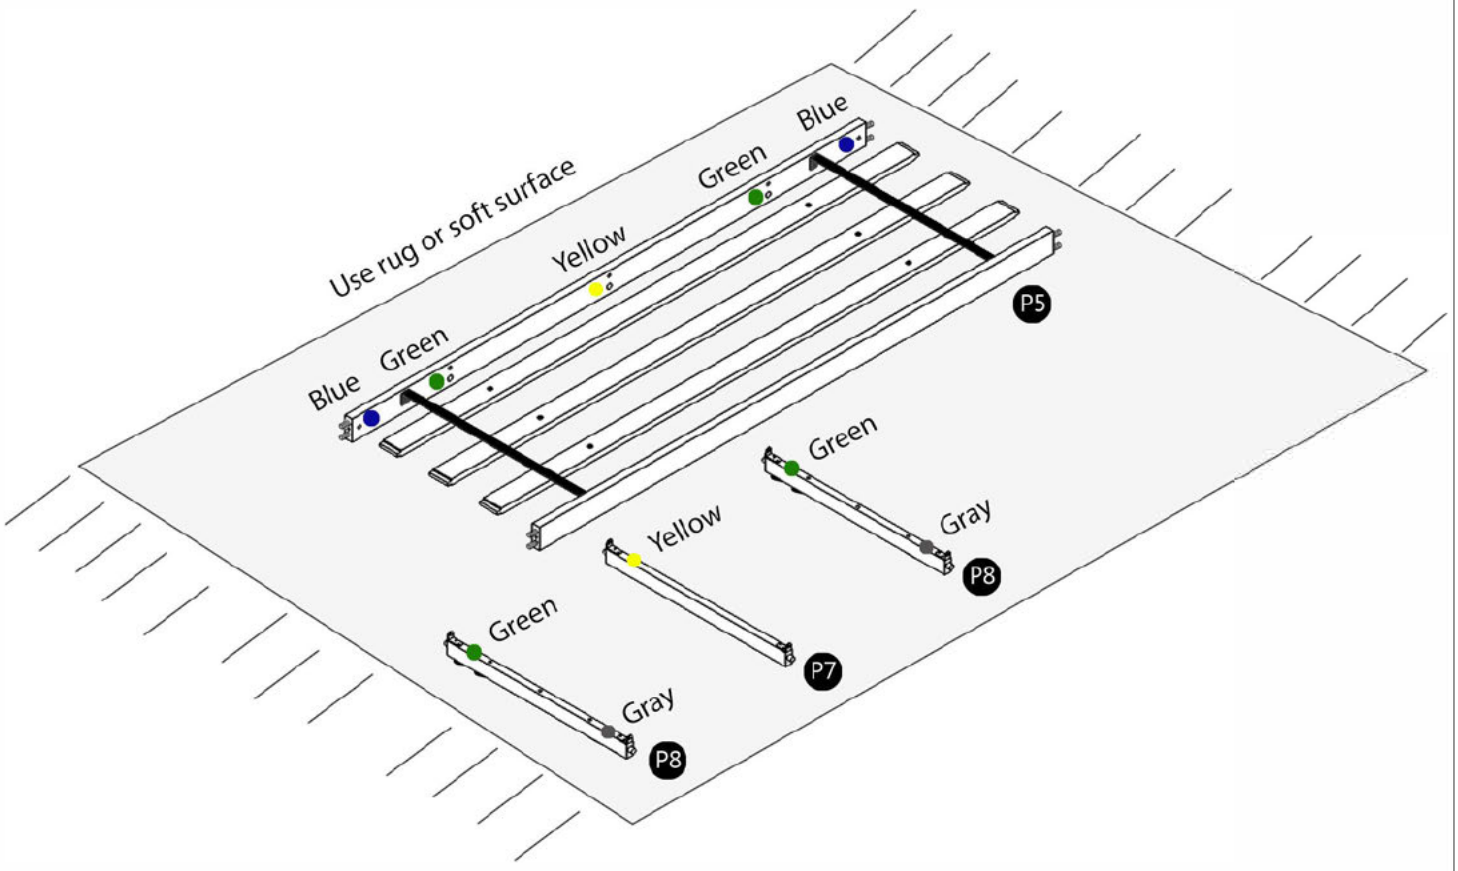


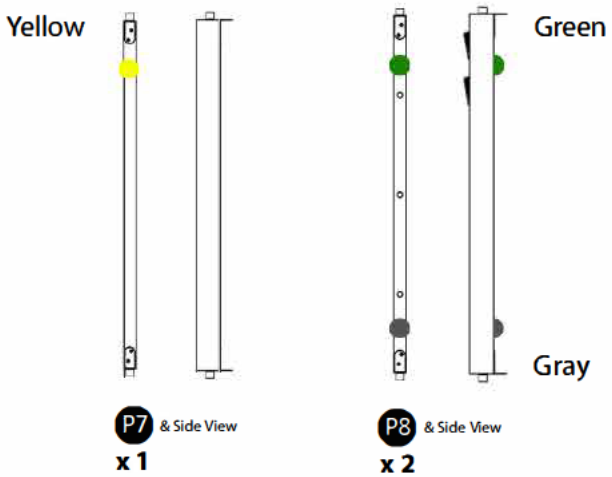
All bolts can be tightened at this point.



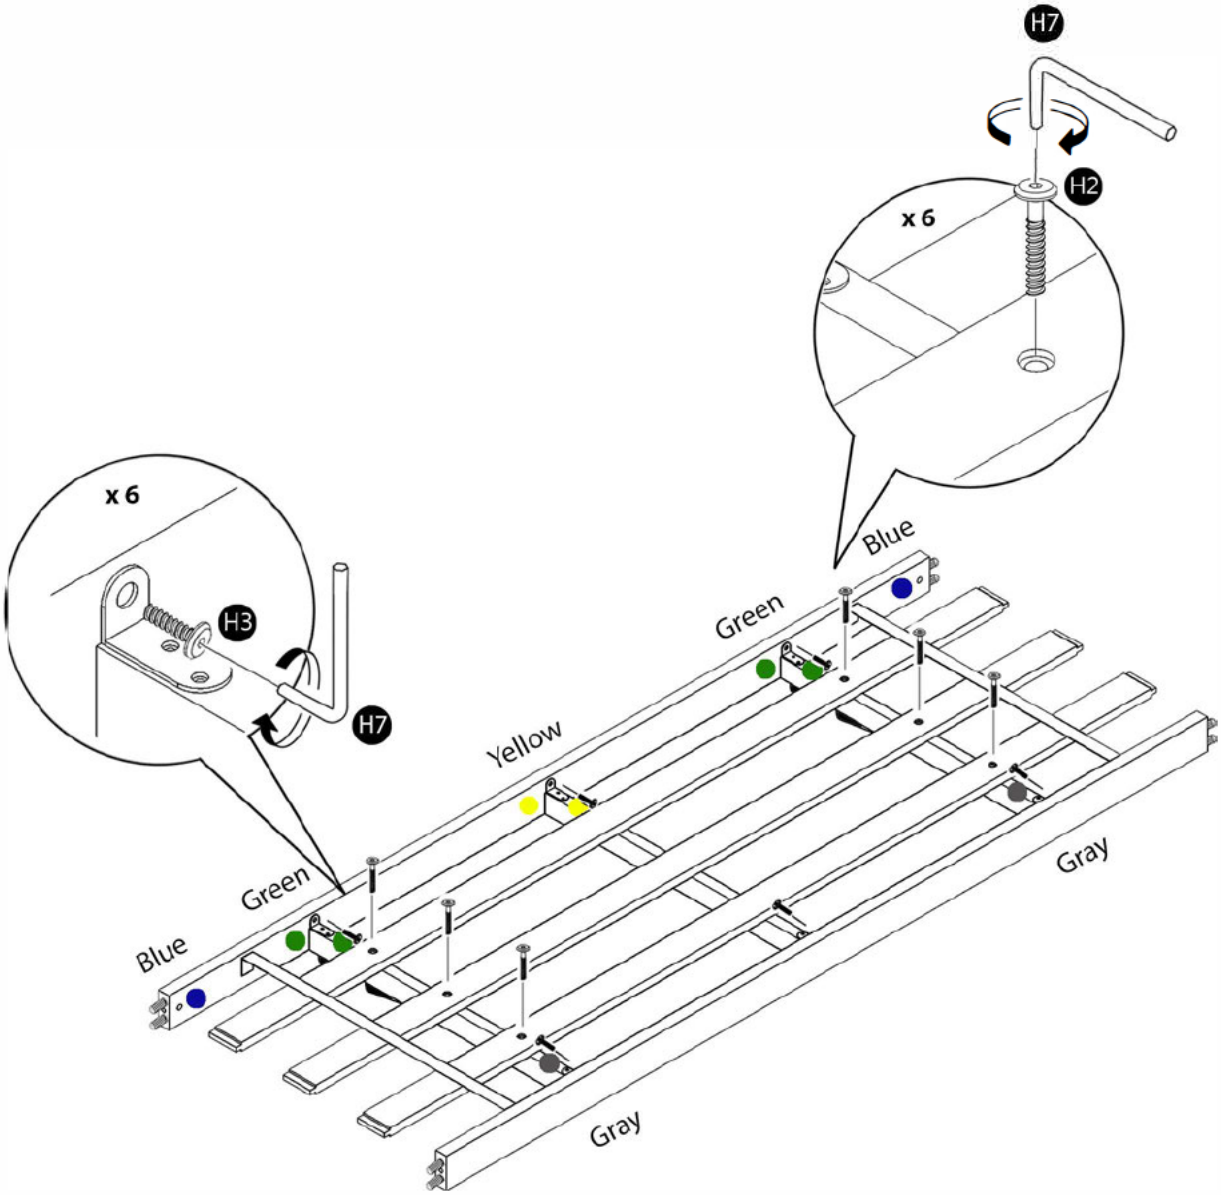
Step 5: Locate parts P5, P8(2), & P7

Use colored dots to align parts for connection.

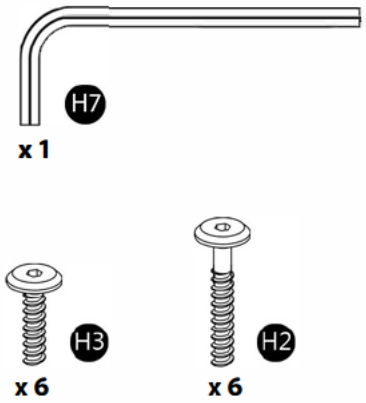




Step 6: Attach P7 and P8(2) to P5 with hardware as shown

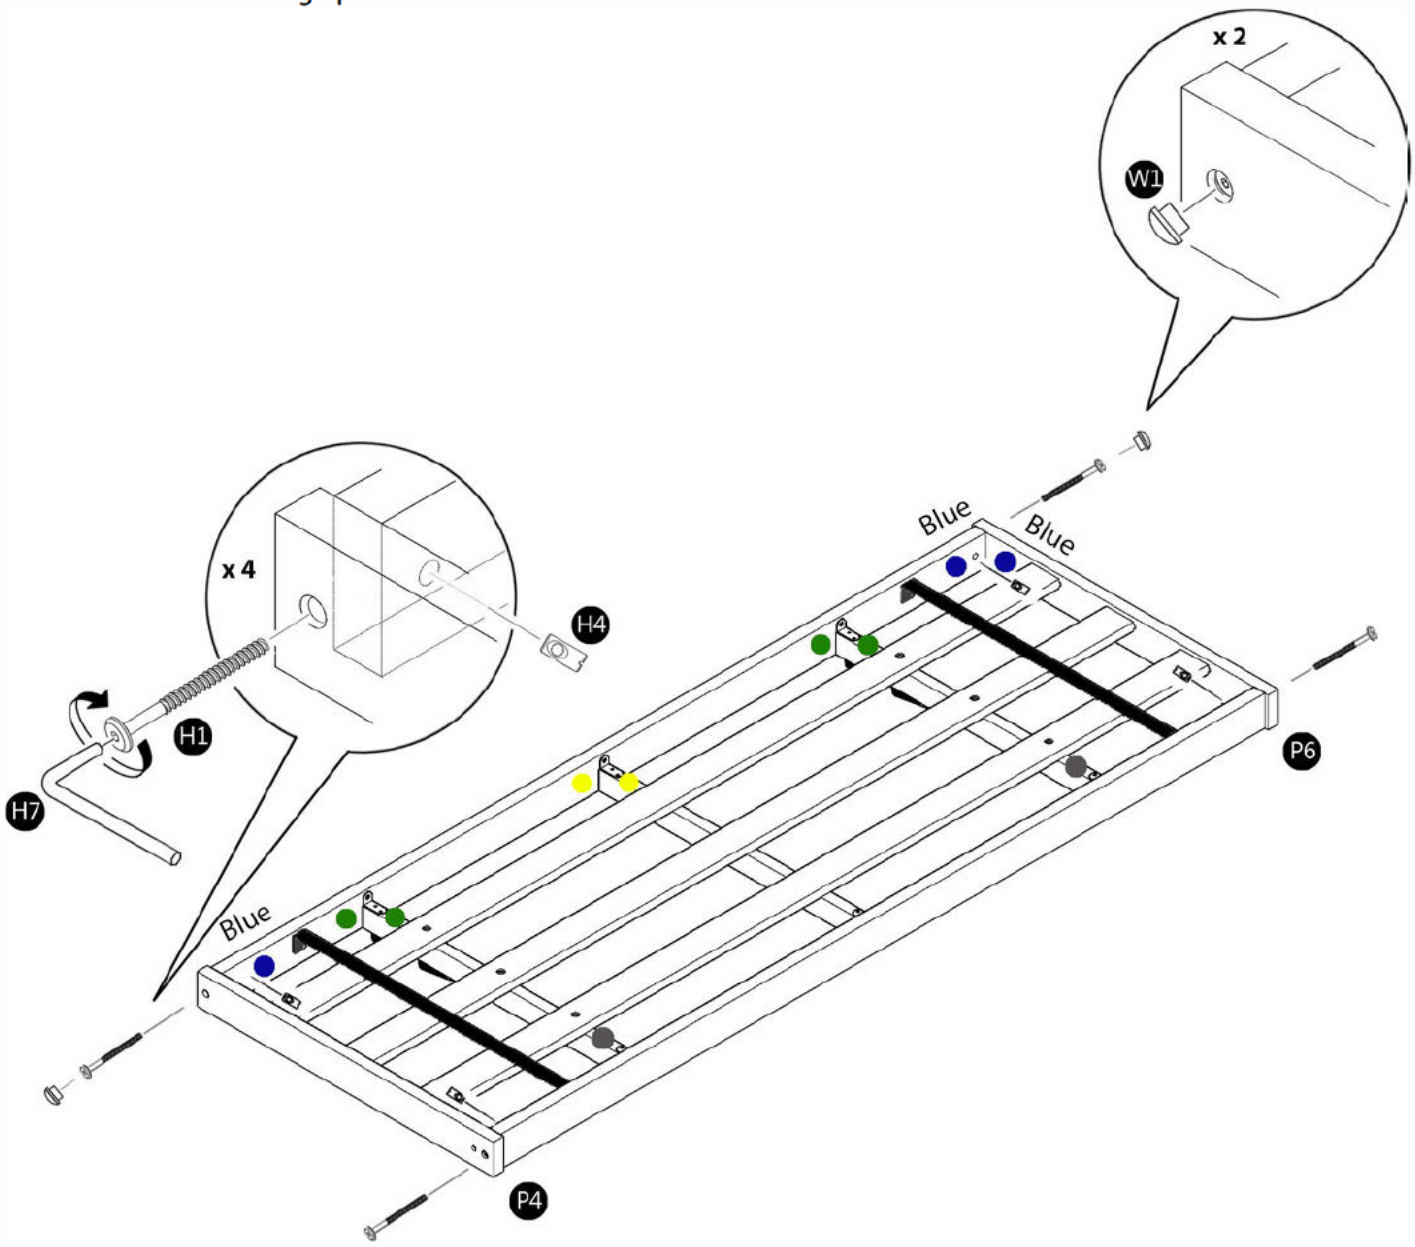


Loosely attach H2 and H3 bolts.

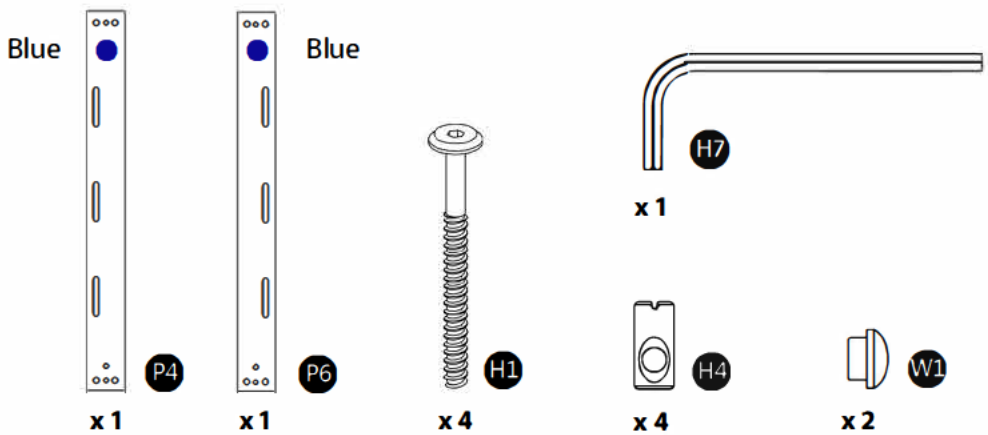


Step 7: Attach P4 & P6 to seat deck P5

Use colored dots to align parts for connection.



All bolts can be tightened at this point.



Step 8: Connect the fully assembled seat and back decks using hardware H5 (x2) as shown below
