4

Turn it over and put it right. Adjust 4 legs land on floor , then tighten the screws slowly. During this process, please tighten screws while adjust legs balance until all the screws are tighten enough.

Warnings

We suggest you retain these instructions for future reference.

Keep fittings out of children's reach and keep children well away from the construction area.

This product should only be used on firm, level ground.

Please periodically check all fittings and re-tighten as necessary.

Avoid exposing the furniture to excessive heat or direct sunlight as this can cause deterioration of the colour.

Unwrap all packaging materials and place the components on top of the carton box or on a clean floor to protect it from damage.

Do's

We suggest you spend a short time reading through this leaflet before you start.

When you are ready to start, make sure that you have the right tools and plenty of space.

Unwrap all packaging materials and place the components on a clean surface to protect it from damage.

We recommend that the packaging is used to protect the surfaces during assembly.

Carefully check that you have all the parts before beginning assembly

Ensure the product is fully assembled as illustrated and all fixings are fully tightened before use.

Don'ts

Do not drag or pull your furniture.

Do not use silicone based furniture polish. Silicone in furniture polishes can break down the finish.

Never allow any kind of liquid to remain on your furniture.

Do not stand or lean back on your chairs.
