ASSEMBLY

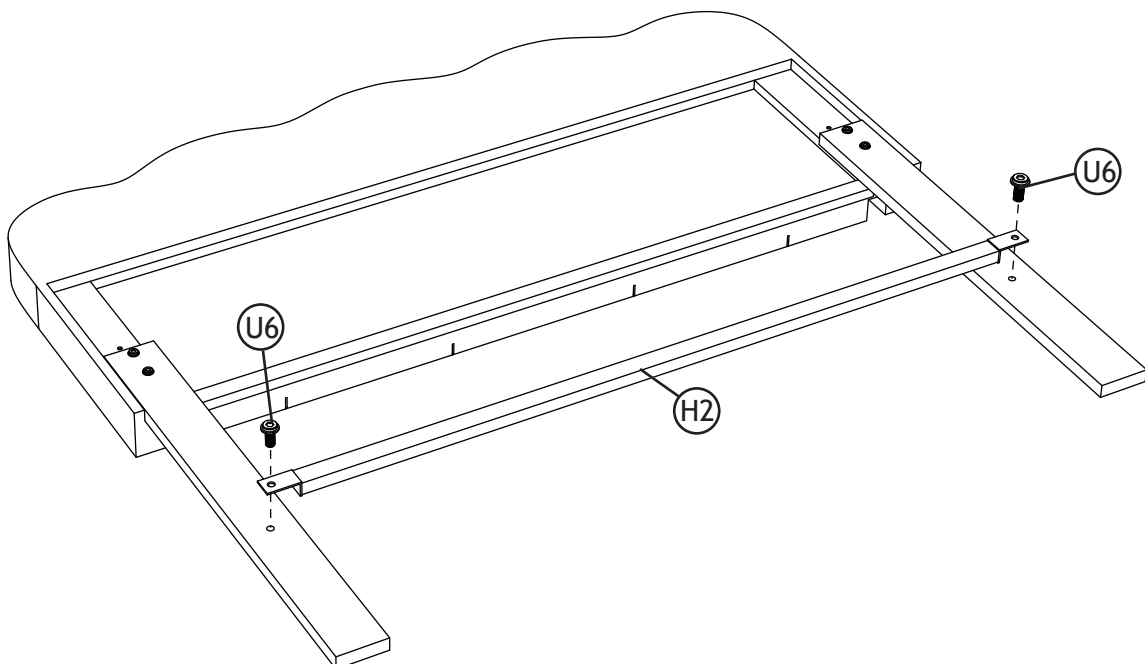

Before your installation, please make sure that you have all the parts listed on the manual. If you find something missing, please stop assembling contact your supplier immediately.

1

The headboard(A) can be adjusted up and down by fixing the position of screws on the back.

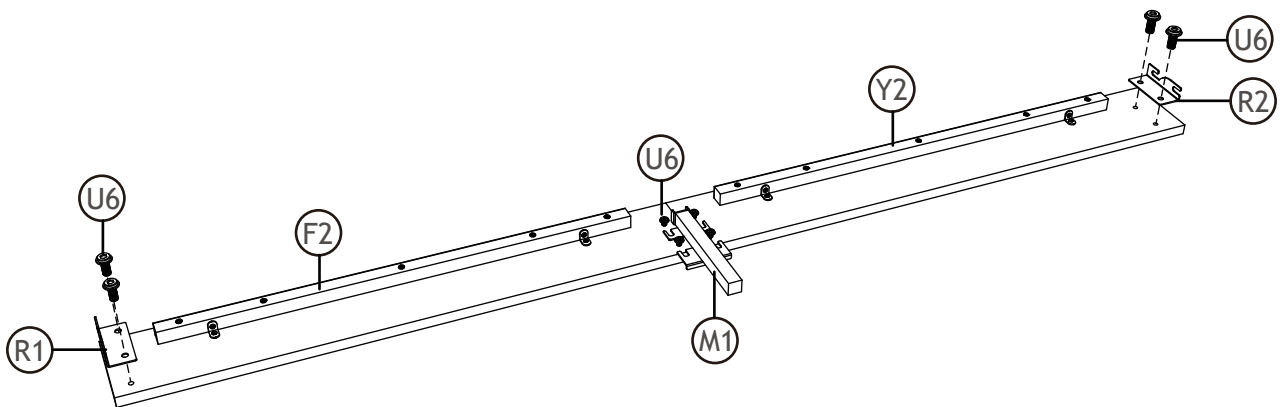

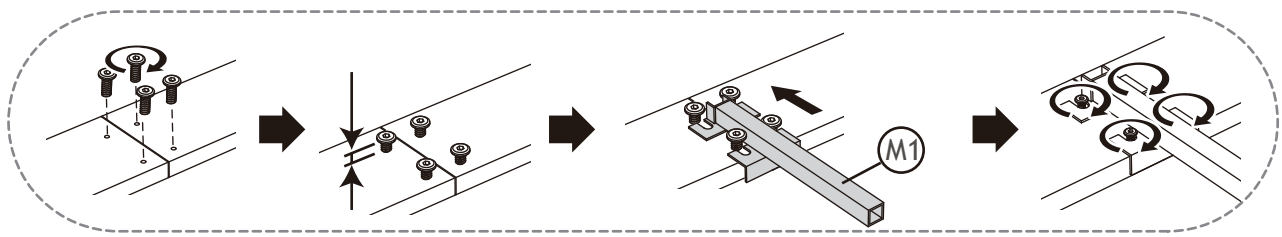

2

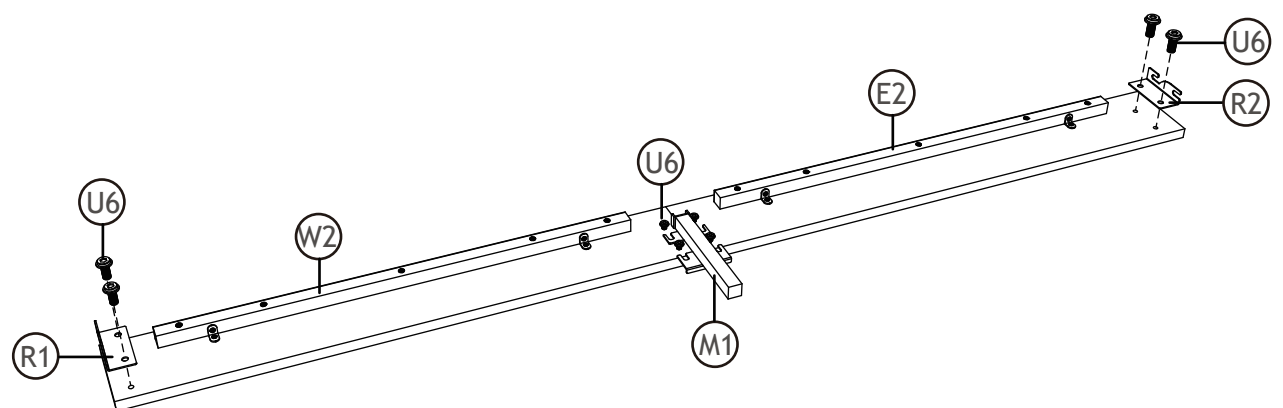

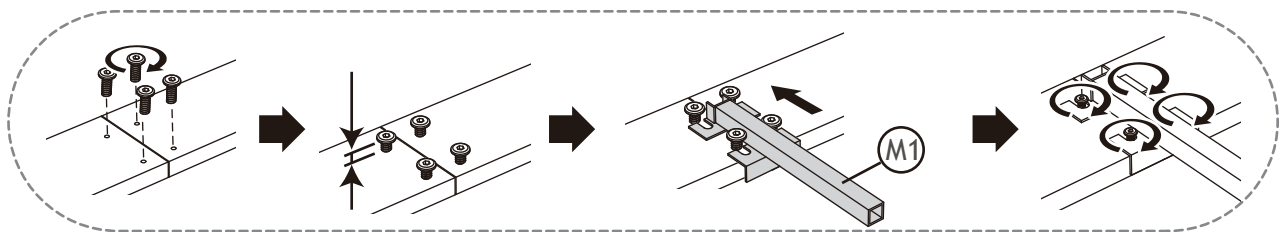

3

Please screw bolt (U6) in 1/2 at the marked position to make assembly easier.

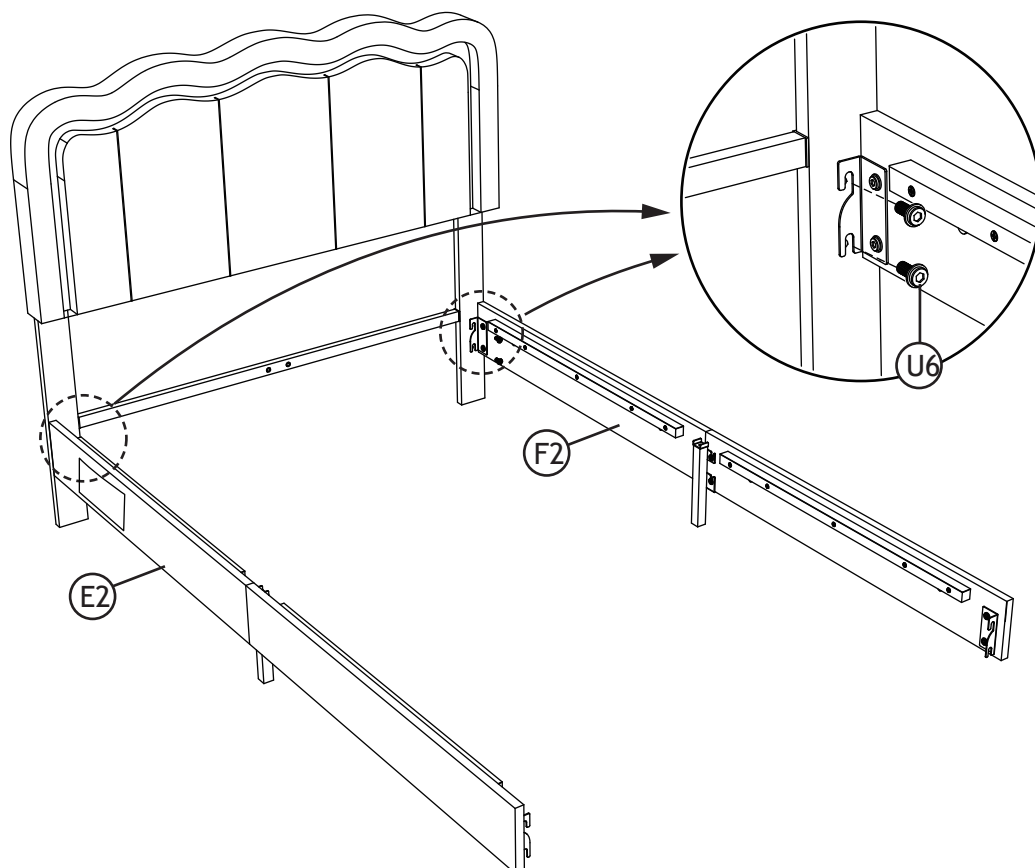

4

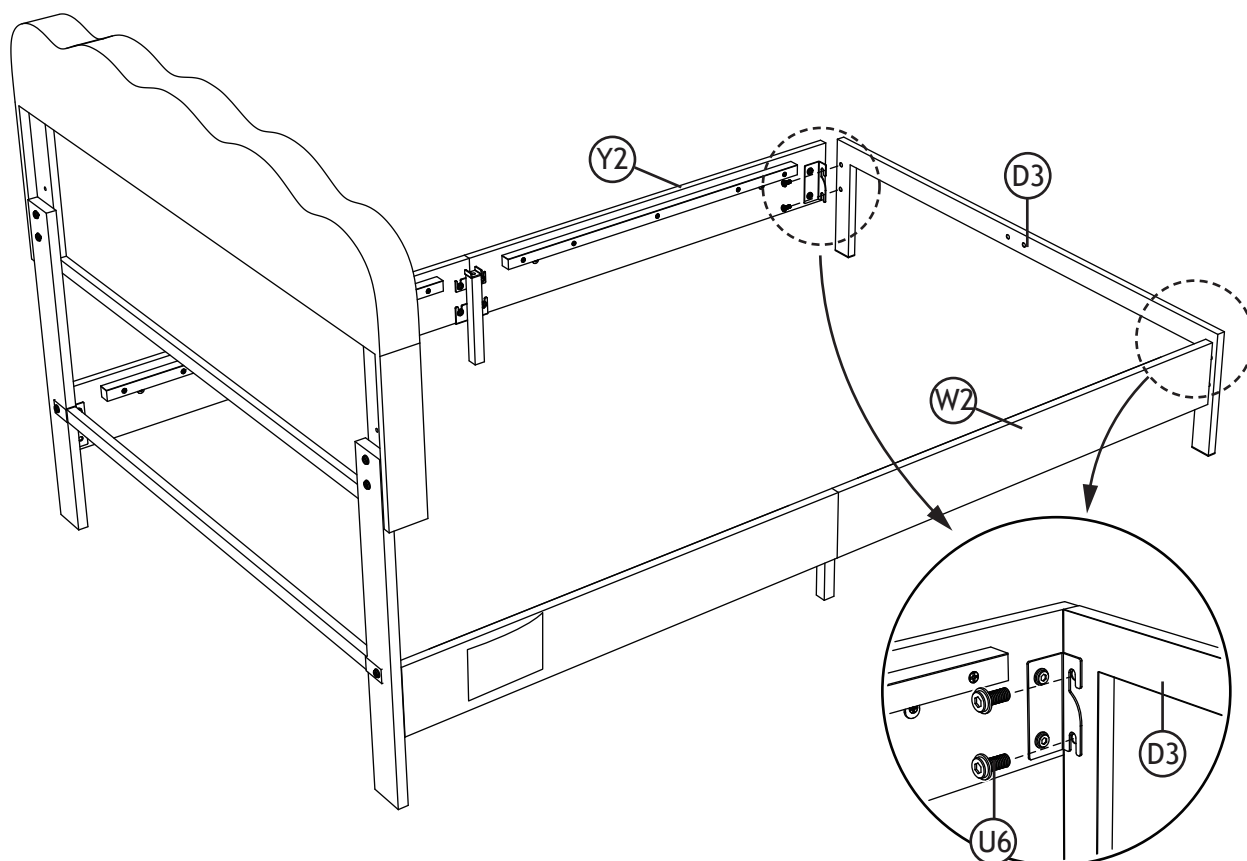

Please screw bolt (U6) in 1/2 at the marked position to make assembly easier.

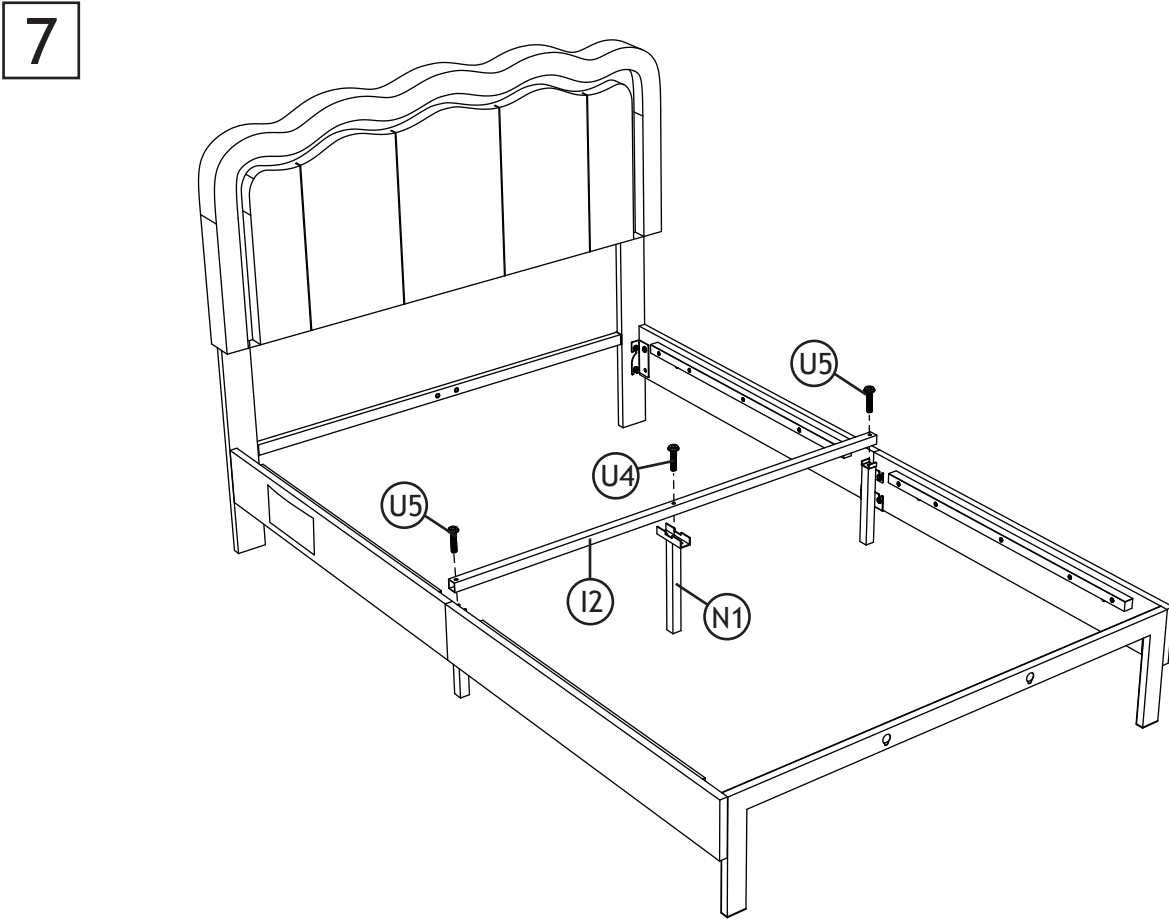

5

DRAWER INSTALLATION

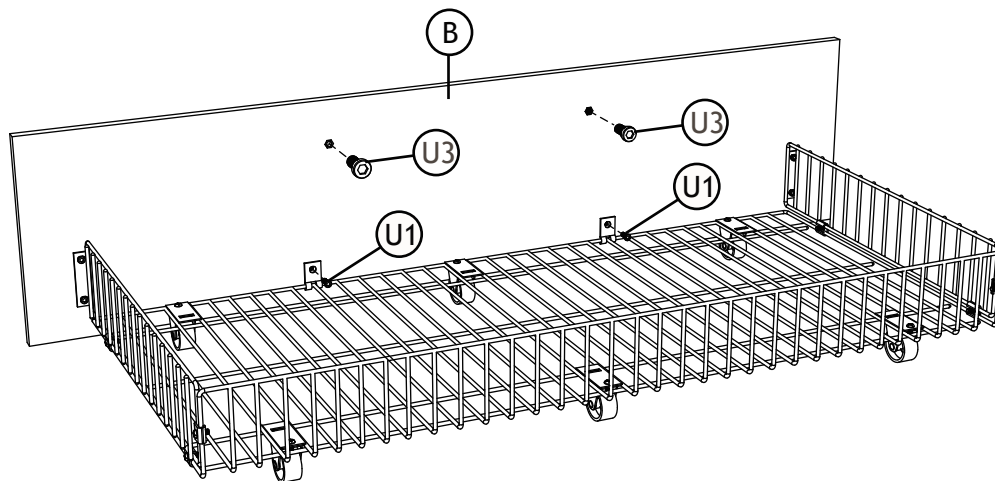

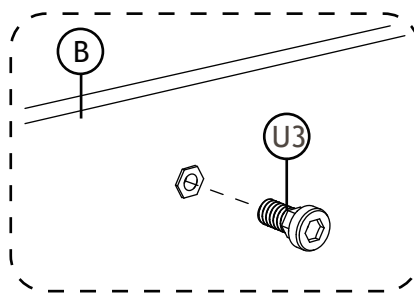

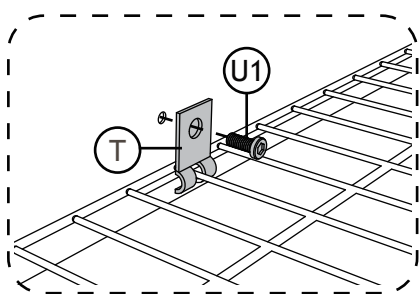

12

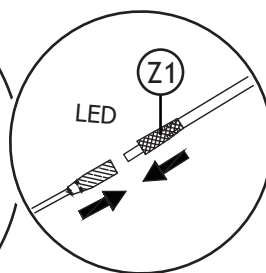

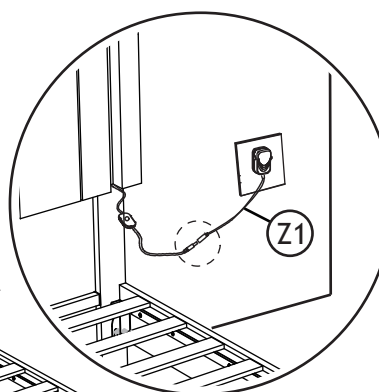

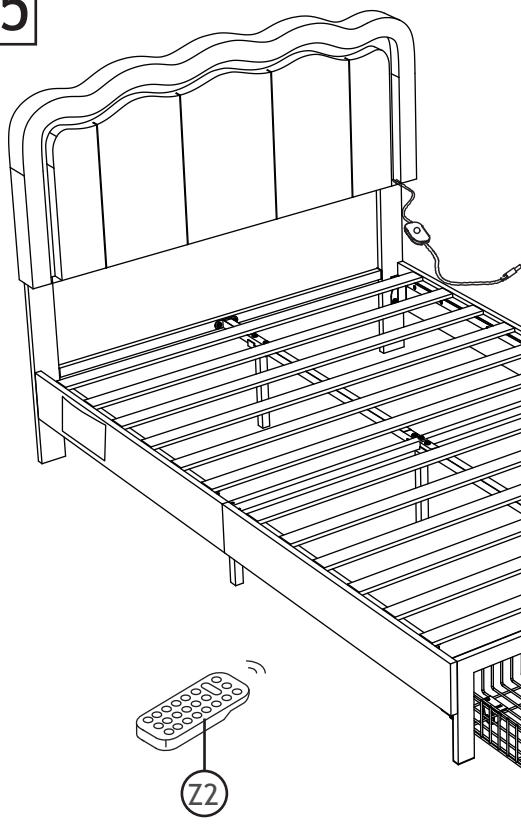

13

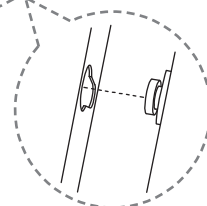

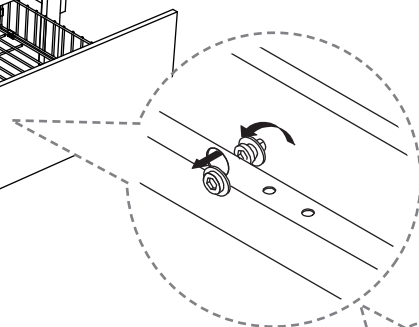

14

15

Put the U3 screws into the hole and press it into the bottom of the "💡" hole.

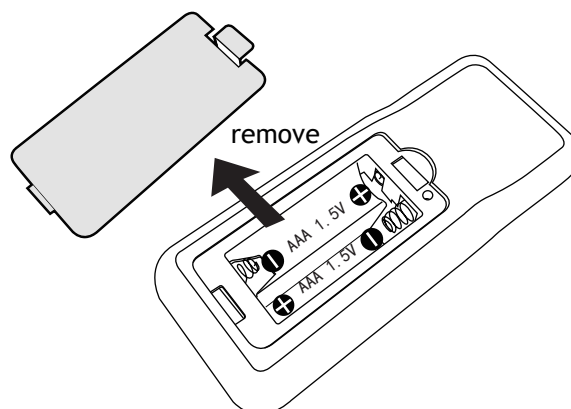

There is a separate manual for the remote control. Please refer to the manual for the remote control for operation instructions.

INSTALLATION OF BATTERIES

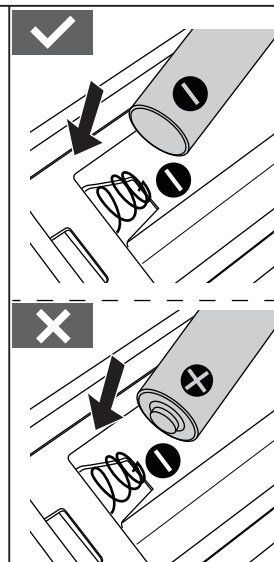

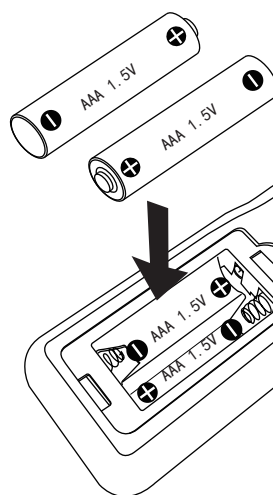

STEP 1

Remove the plastic back cover of the battery compartment.

STEP 2

Ensure the positive (+) and negative (-) terminals of the batteries align with the markings inside the battery compartment.

STEP 3

After installing the new batteries, replace the back cover.
