 CARE INSTRUCTIONS

Outdoor furniture naturally weathers and shows color variation over time. We recommend the following care for the best results:

- Wipe with a soft cloth.
- Wash with mild soap and water as needed; do not use abrasive cleaners.
- Cover furniture with an outdoor cover (not included) when not in use.
- Store in a dry, covered area during inclement weather or winter season.

After assembly is completed, save these instructions and any included tools for future maintenance or re-assembly.
