

# WING CHAIR FURNITURE COVER

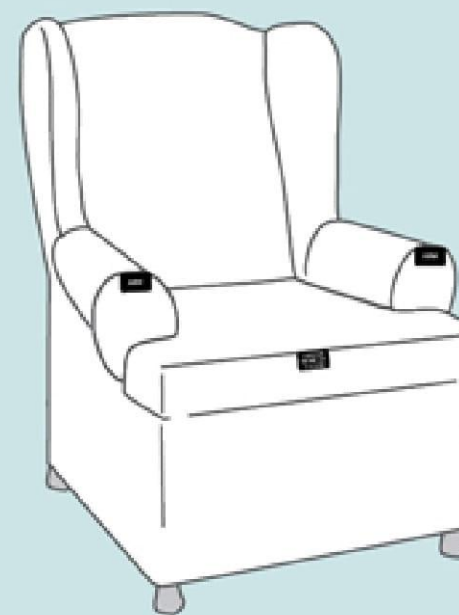

TO APPLY YOUR COVER:

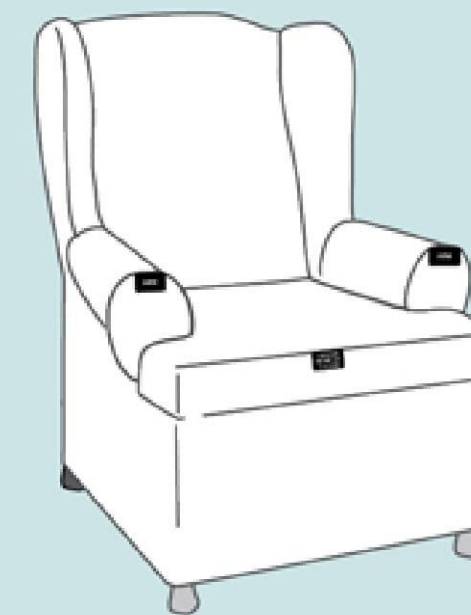

## **DRAPE**

the cover over the furniture making sure that the center sewn-in label is in the middle front of the seat cushion.

## **TUCK & ADJUST**

the elastic band underneath the back and the seat cushion. Adjust the arms to hug the corners of the furniture.

## **TUCK**

excess fabric into crevices along back and seat. Continue to pull the chair cover around the furniture until the bottom hangs evenly.
