MANTEL CLOCK: The Mia Mantel Clock features a Worn Black finish with red and brown undertones on select hardwoods and veneers to complement your home decor. Place it above your fireplace in the living room for a classic decorative piece.

DURABLE: This clock has a sturdy frame to relieve stress in a busy household. It includes fluted columns, aged black traditional Roman numerals (IIII instead of IV), black serpentine hands, flat glass, and brushed antique-brass finished bezel to stand out over an aged dial.

CHIMES: Easily tell time with a single-chime movement that plays the Westminster chime to strike each hour. The convenient automatic nighttime chime shut off and antique brass-finished pendulum bob allows this clock to be set in any room.

MOVEMENT: It is powered by quartz, single-chime movement and requires three AA sized batteries.
