Air Purifiers

REVIVE

The Revive is a combination air purifier and humidifier, designed to remove pollutants and add moisture for cleaner, more comfortable air. The self-regulating Evaporative Humidification Method utilizes small, light-weight water particles to evenly humidify the room instead of over-saturating the immediately-surrounding area.

- Dual TrueHEPA Air Filtration
- Efficient Dual-Suction System
- Natural Evaporative Humidifier
- Air Quality Indicator

Blue = Good

Purple = Fair

Red = Poor

- Humidity Indicator
- Four Operating Modes including Auto Mode
- Intuitive Touch Control Panel
- Filter Change Indicator
- Auto-Off Timer
