STEP 1

Step 1:

Secure feet B and C with screws according to the diagram.

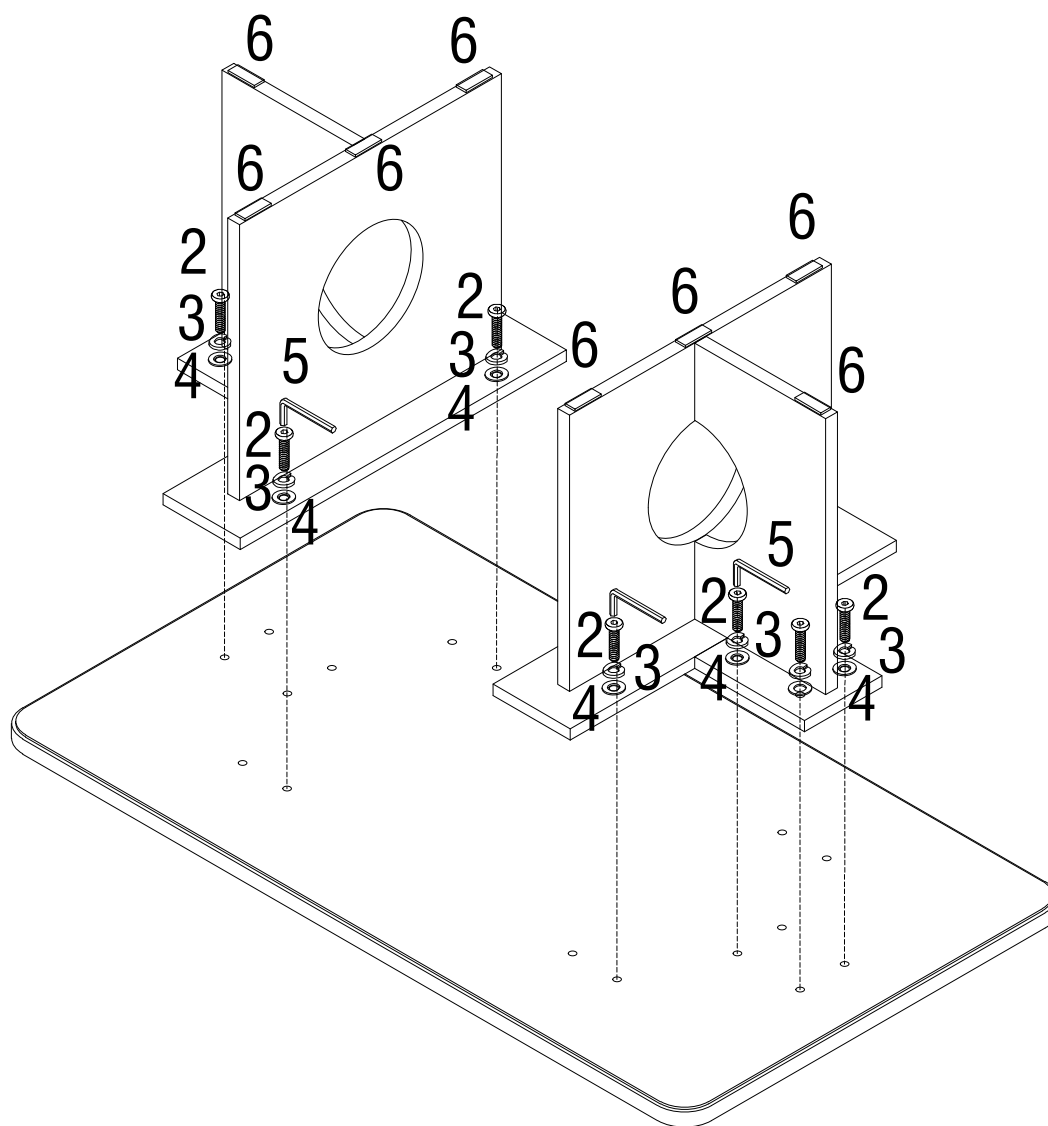

STEP 2

Step 2:

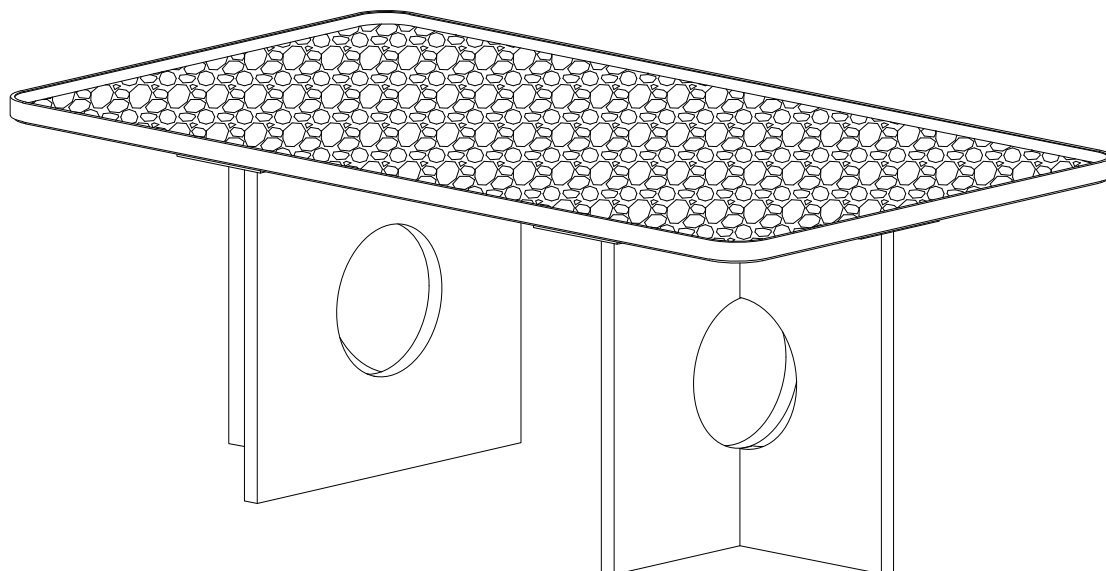

Please place the link wood and the table legs with hole side up horizontally on a surface that is not easily scratched firstly .then slowly screw 5 screws to connect the legs and link wood.

STEP 3

Step 3:

Turn the table leg with the side of hole downwards, and then slowly screw it into the screw on the table top vertically. (Please do not use excessive force to cause damage to the table top).

END

Precautions for daily use:

1. After installing the table and during daily use, due to the brittle nature of material, please do not directly push or pull the table to avoid damaging. Please lift and move the table to the destination.
2. Please pay attention to scratches and do not place or use sharp objects to scratch the tabletop.
3. Please do not use any acid-base reagents or alcohol to wipe or clean the tabletop and legs. Please wipe with a soft cloth and water.
