

ASSEMBLY INSTRUCTION

- Read the assembly instructions carefully before beginning assembly.
- Ensure the safety of the glass during assembly.
- Do not over tighten the screws and bolts as this may damage the threads.
- Insert the screw into the hole as shown in the figure, follow the arrow in the picture, and then rotate 90° or 180° clockwise.
- Keep the small accessories in the accessory bag away from children.
- The remaining parts are spare parts.
- Kind tips: when installing the white backboard, install the white side inward.
- The operating instruction of RGB light is included in the package. Read it carefully when assembling .
