A × 1	a × 1	M4x35MM b × 10	c × 10	M4x20MM d × 2

EN

When fixing the shelf to a wall, always make sure that the shelf is secured directly to a stud through at least one of the three fixing points.

As wall materials vary, screws for fixing to wall are not included. For advice on suitable screw systems, contact your local specialized dealer.
