

Peta

Designed by Caloroso studio

Peta draws inspiration from the human desire for tactile comfort, its design mimicking a gentle embrace through fluid, cloud-like curves.

- Frames are craftsman-built using cross-directional hardwood laminate certified by the Sustainable Forestry Initiative.
- Back frame system is sustained by flexible sinuous springs.
- The seat and back cushions are made with foams of varying densities, topped with a layer padded with sterilized down and feathers.
- To minimize fading effect on the fabrics, avoid placing in direct sunlight.

- ***Note: Discover your ideal aesthetic with complimentary fabric swatches. To maintain the integrity of the fabric, avoid ironing at high temperatures.***
