

Technical drawing of a 22-inch wide and 22-inch high cabinet. The drawing shows a front view of the cabinet with a glass door and internal shelves. The overall dimensions are 22 inches wide and 22 inches high. The door has a decorative top with a trapezoidal shape. The internal shelves are 18 inches wide and 15 5/16 inches high. The door is 2 inches thick. The top of the door is 6 7/16 inches wide, the middle section is 9 1/8 inches wide, and the bottom section is 6 7/16 inches wide. The bottom of the door is 2 inches high. The overall height of the cabinet is 22 inches. The overall width of the cabinet is 22 inches. The internal shelves are 18 inches wide and 15 5/16 inches high. The door is 2 inches thick. The top of the door is 6 7/16 inches wide, the middle section is 9 1/8 inches wide, and the bottom section is 6 7/16 inches wide. The bottom of the door is 2 inches high.

A line drawing of a window. The window has a triangular top section and a rectangular bottom section. The top section is filled with horizontal lines, suggesting a triangular pediment or a decorative element. The bottom section is also filled with horizontal lines, suggesting a shutter or a blind. The window is set within a frame that has a decorative, multi-lined border.
