Harmony 4' x 6' in peach

Harmonize your thoughts.

Uncommon – a contemporary alternative to traditional whiteboards. It's time for whiteboards to be more than white.

Quality – super hard, non-porous glass surface works with standard dry-erase markers and will not ghost or stain.

Bold – available in nine color variations: four bold, four neutral, and a traditional frosted finish.

Green – 100% recyclable; composed of recycled glass and sand.

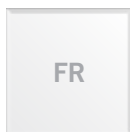

Uncluttered – frameless, borderless, and rear-mounted tempered glass, hides accessory holder for a crisp and clean appearance.

Brighten Your Brainstorm.

Harmonizing your thoughts has never looked so good. With nine colors and five sizes to choose from, Harmony is a versatile and gorgeous way to brainstorm. Taking today's latest color trends and interior fashions into consideration, we've created the perfect palette of dry-erase boards to choose from. Change the way you think about a whiteboard.

- Tempered 1/4" thick glass with rounded or squared corners
- Pre-drilled mounting holes are inset into the glass: four holes for the 2' x 3', 3' x 4', and 4' x 4' and six holes for the 4' x 6' and 4' x 8'
- 1" diameter satin aluminum standoff hangers create 1 1/4" spacing between wall and glass markerboard
- Features a unique, clear acrylic rear-mounted accessory holder, complete with markers and eraser
- Backed by Ghent's 50 year warranty
- Includes four rare earth magnets with magnetic version (extra magnets available)
- Available with custom colors, graphic, and logo printing
