Assembly instruction

Please read these instructions carefully before starting assembly. We suggest you carry out the assembly on a soft surface like a carpet, so as to avoid scratching the paint. Please note because of the nature of cast metal, you may find roughness on the surface which enhances the beauty of the product and is not a defect.
***Do not discard any of packaging until you have checked that you have all parts and pack of fittings.**
***Keep children away during assembly.This item contains small parts which can be swallowed by children.**
***Retain the assembly instructions for future reference.**
