COUNTER STOOL

Parts List

NO	Picture	Description	QTY
A		Backrest	1
B		Seat	1
C		Left Front Leg	1

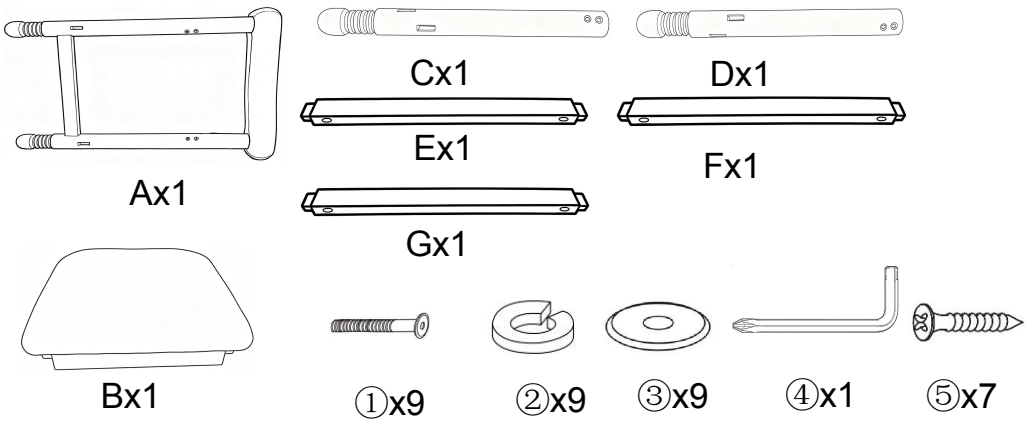

D		Front Front Leg	1
E		Left Side Rail	1
F		Right Side Rail	1
G		Front Rail	1

Hardware

NO	Picture	Description	QTY
①		Bolt (M8X55MM)	9
②		Spring Washer	9
③		Flat Washer	9
④		L-type Hexagon Wrench	1
⑤		Screw	7

Assembly Preparation

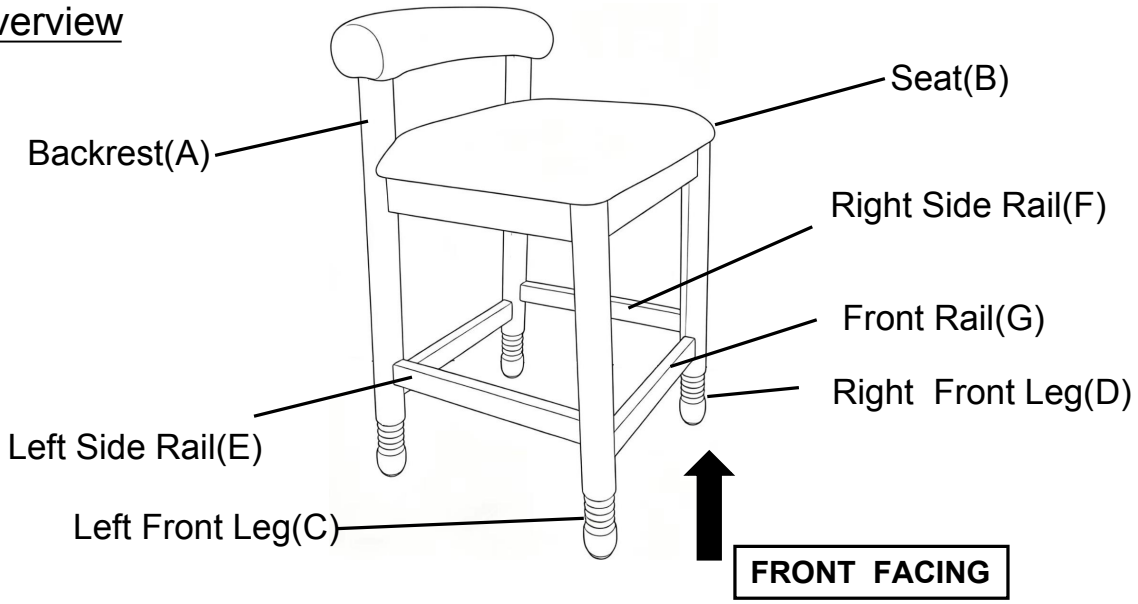

Before Beginning Assembly:

- Read instructions, cover to cover-
- Have 2 adults on hand for assembly-
- Do not assemble on flooring or carpet-
- Assemble on a clean non-marring surface (packing foam)-
- Save all packaging until finished-

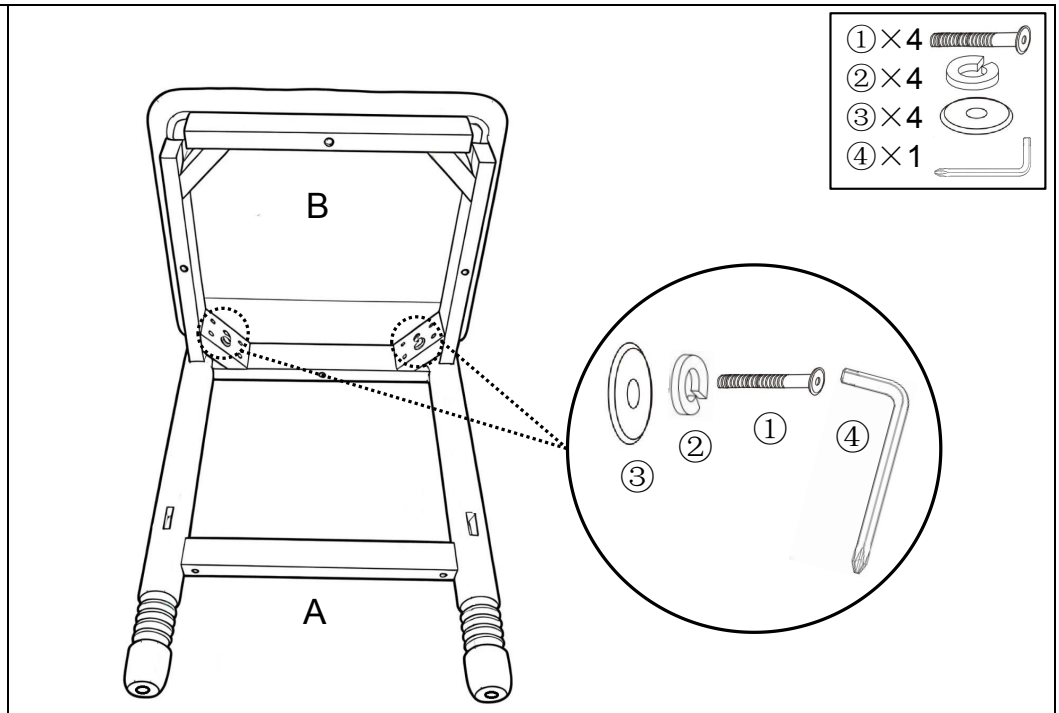

Assembly Steps

Overview

This counter stool has multiple parts and may require up to some 30 minutes to assemble. To give you an overview of the counter stool parts, the above picture is to help you put the various parts into perspective. Please read through the instructions below to familiarise yourself with the parts and steps before assembly.

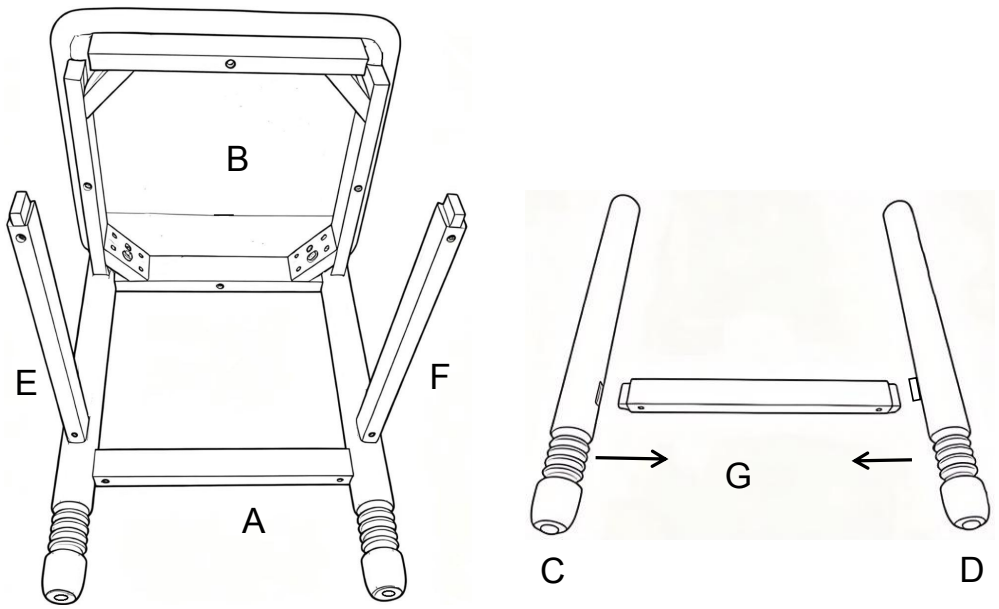

Step 1

Place the backrest (A) on the soft carpet. then position the seat (B) on top of it, aligning the four holes. Secure them using the bolt (①), spring washer(②),flat washer (③), and tighten with the L-type Hexagon Wrench (④).

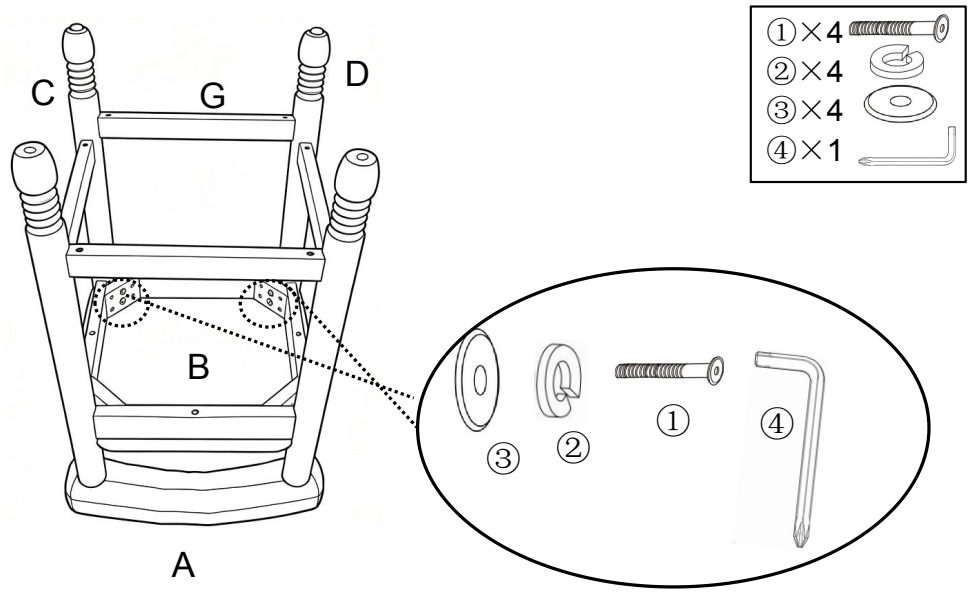

First tighten the bolts to 80% torque, do not fully fasten them.

Step 2

Insert the left side rail(E) ,right side rail(F) into the holes under the backrest (A) on the rear legs, then connect the front rail (G) by inserting it into the holes of the left front leg (C)and right front leg (D).

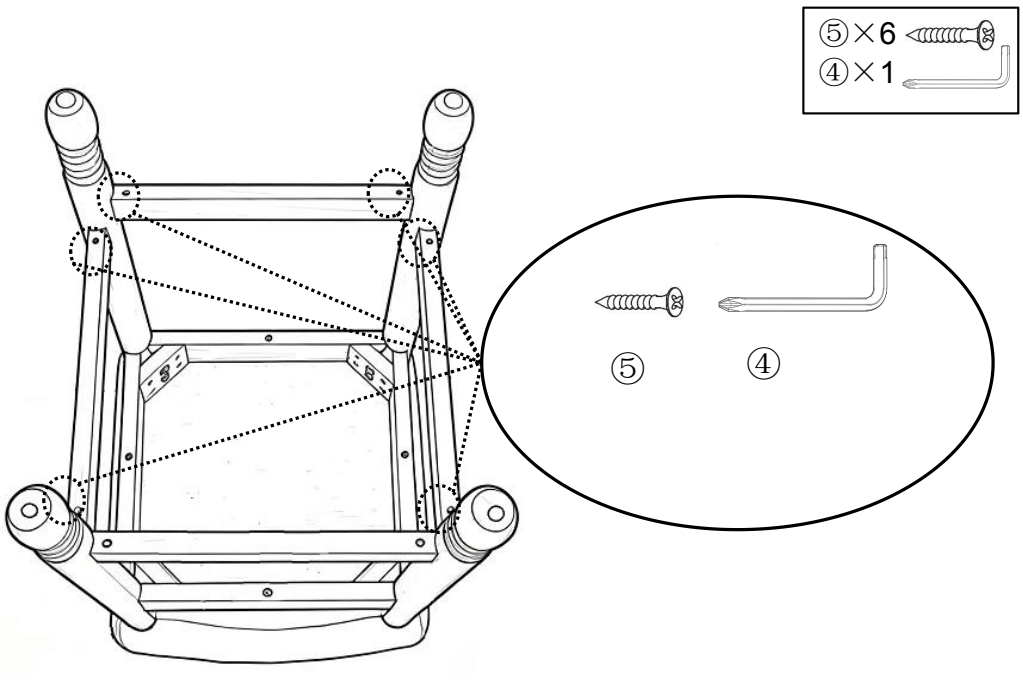

Step 3. 1

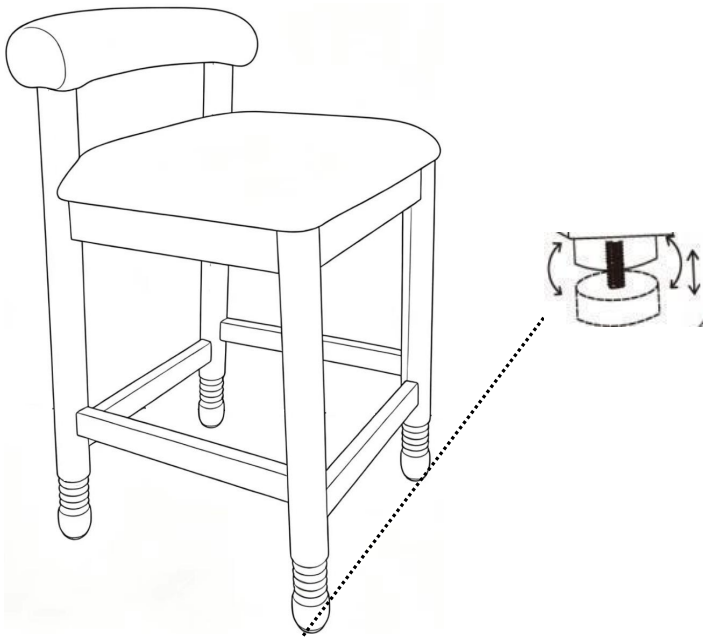

Place the counter stool upside down, insert the assembled left front leg (C), front rail(G), and right front leg (D) into the seat (B), and connect all the side rails (E)(F),Then, use an L-type Hexagon Wrench (⑤) to tighten the bolt (①), spring washer (②), and flatwasher (③).

Then fully tighten the bolts which were left at 80% tightness in Step 1 to 100%.

Step 3. 2

Use an L-type hex wrench to drive the screws (④) into the holes on the left side rail (E), right side rail (F), and front rail (G).

Step 4	

Place the assembled counter stool on a level surface.
If the counter stool is unstable, you can level it by rotating the adjustable feet located beneath the previous legs.

Questions & Answers about Proposition 65

• What is Proposition 65?

Proposition 65 requires businesses to provide warnings to Californians about significant exposures to chemicals that cause cancer, birth defects or other reproductive harm. These chemicals can be in the products that Californians purchase, in their homes or workplaces, or that are released into the environment. By requiring that this information be provided, Proposition 65 enables Californians to make informed decisions about their exposures to these chemicals.Proposition 65 also prohibits California businesses from knowingly discharging significant amounts of listed chemicals into sources of drinking water.Proposition 65 requires California to publish a list of chemicals known to cause cancer, birth defects or other reproductive harm. This list, which must be updated at least once a year, has grown to include approximately 900 chemicals since it was first published in 1987.• What types of chemicals are on the Proposition 65 list?The list contains a wide range of naturally occurring and synthetic chemicals that include additives or ingredients in pesticides, common household products, food, drugs, dyes, or solvents. Listed chemicals may also be used in manufacturing and construction, or they may be byproducts of chemical processes, such as motor vehicle exhaust.

• What does a warning mean?

If a warning is placed on a product label or posted or distributed at a workplace, a business, or in rental housing, the business issuing the warning is aware or believes that it is exposing individuals to one or more listed chemicals.By law, a warning must be given for listed chemicals unless the exposure is low enough to pose no significant risk of cancer or is significantly below levels observed to cause birth defects or other reproductive harm.• Where can I get more information on Proposition 65?If you have specific questions on the administration or implementation of Proposition 65, you can contact OEHHA's Proposition 65 program at P65.Questions@oehha.ca.gov, or by phone at (916) 445-6900.
