ASSEMBLY INSTRUCTIONS

SKU:AJ-DJ-505395

Installation guide A : The page number corresponding to the installation procedure is Page 7-21.The head of the bed is on the left side facing the bed（as the figure shows）.

Installation guide B : The page number corresponding to the installation procedure is Page22-30.The head of the bed is on the right side facing the bed（as the figure shows）.

v1.0

DEAR CUSTOMER,

Caution:

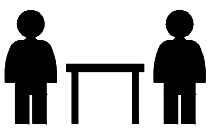

1. Please read all instructions before assembly and check the carton for any parts that may have come loose during shipment. It is recommended to use two or more persons during the assembly process.

2.Please do not discard any packaging before you have checked all the parts and fittings are included. if for any reason this product needs to be returned it must be returned packed in its original packaging.

3.Assemble this product on a flat and clean surface to avoid scratching.

Mobile phone control steps:

1. Connect LED Lamp and RF RGB Controller.
2. Plug in the Adaptor Power supply.
3. Scan the RF RGB Controller QR code on the controller and download the software LotusLantern.
4. Turn on the Bluetooth function of the mobile phone and search for Bluetooth pairing "Trinoes".
5. Open the "LotusLantern" APP and switch colors change.
   Click the music switch to realize the skip mode of different LED lights.
   Press the timing switch to realize the automatic light off function,etc.

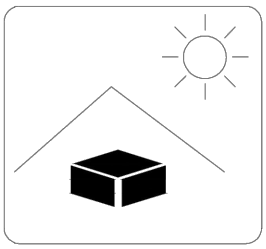

Suggestion: To make the installation process. easier and faster, we recommend that two people work together to install the Bed Frames.

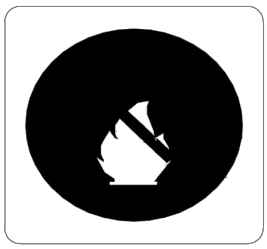

Package Contents
