

3 Parts: Swing Chair, Support Frame and Base

You will find the hardware packed inside the base

- | | | | | |
|--|---|---|---|---|
| (1)  | (2)  | (3)  | (4)  | (5)  |
| Bolt x 2 | Nut x 2 | Spring x 1 | Spring attachment x 1 | Spanner x 1 |

Step 1 : Insert the support frame to the base. Ensure that both holes are aligned and put in the bolt (1) and attach the nut tightly (2).

Step 2 : Install the spring (3) by inserting it into the attachment (4).
