

DECLARATION OF CONFORMITY

Under the Timber, and Timber Products Placing on the Market Regulations (UKTR) Gallery Direct Limited is obligated to carry out appropriate due diligence on any in scope timber-based products that we place on the UK market in order to minimize the risk that those products were made using illegally harvested timber.

We Gallery Direct Limited declare that all in scope timber-based products that we place onto the UK market are fully compliant with the United Kingdom Timber Regulations.

We undertake to make available any supporting documents required.
