Other Accessories for Assembly

Notes

1. Please check the size carefully before ordering.
2. Please note that this product does not include light fixtures.
3. Please be informed that if you need wiring, the burial depth should not exceed 14.57 inches. If you are using solar street lamps that do not need wiring, the burial depth should be 17.72-23.62 inches.
4. Please allow the slight color difference caused by the shooting light and the 1-3 cm error due to manual measurement, and make sure you do not mind before ordering.
