

SKIN

Colourful, stackable and functional, the SKIN stool speaks a minimalist language with its simple yet sophisticated design – an indispensable addition to any home. Durable yet lightweight thanks to the innovative air-moulding technology, a process that ensures exceptional strength combined with reduced product weight. The highly durable polypropylene feet are shockproof and interchangeable. Made out of polypropylene, it comes complete with footrest and can also be used outdoors. Discover all the details of the SKIN stool.
