

ASSEMBLY INSTRUCTIONS

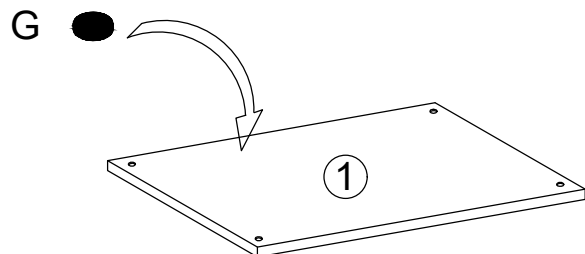

1. When you begin each step, please check carefully whether you have taken the correct parts, so as not to use the wrong parts and cause the wrong assembly.
2. We recommend that you do not rush to tighten the screws. It is best to tighten the screws to two-thirds first, after all the steps are installed and the position is well adjusted, then tighten each screw in turn.
3. The seller cannot refund for product damage due to incorrect assembly or misuse. Please feel free to contact us if you need more information and help.

WARNING: This product is for indoor use only, please avoid prolonged exposure to moisture to prevent mold growth. To avoid the risk of choking, keep the bag away from babies and children.
