Suggested Bulb: CA Flame Tip

Socket Type: E12

Watts per Socket / Item: 60/240

Working with natural materials like rattan is a strong suit of our artisans, who've taken the reeds and woven them into a work of art in our Gaborone Chandelier. The frame is made of wrought iron in a contemporary gold leaf finish. The hanging hardware on this natural rattan chandelier and the pointed cap at its bottom-most point add to the warmth of this lovely fixture.
