Leafy Vines 3

D2832S56630-4774

Part of a series of six unique botanicals, Leafy Vines 3 is a fine art print of falcate leaves on a climbing vine. Against a neutral background, a gently rounded, flowing form brings movement to an alternating pattern of simple and compound leaves and delicately curling tendrils. A softer color palette of thistle green and sage compose the body of the leaves, tendrils, and vine, while splashes of hemlock add dimension. A carefully curated addition to ART by TA, Leafy Vines 3 incorporates the elegance of botanical illustrations with carefully indistinct forms for a balanced, peaceful presence.
