Read this material before using this product. Failure to do so can result in serious injury. SAVE THIS MANUAL

ASSEMBLY PRECAUTIONS

1. Assemble needs to follow these instructions. Incorrect assembly can be a hazard.
2. Wear safety goggles and heavy-duty work gloves during assembly.
3. When drilling the screws, it is recommended to choose **electric screwdriver**.
4. Do not assemble when tired or when under the influence of alcohol, drugs or medication.
5. Weight capacity and other product capabilities apply to a properly and completely assembled product only.
6. Keep the assembly area clean and well-lit.
7. Keep bystanders out of the area during assembly.
8. Assemble on a flat, level, hard and smooth surface.

Tips

Using an electric screwdriver makes the install process easier and faster.

x2

1. For a smooth installation process, please scan the QR code and watch the step by step installation video.
2. If you use an electric screwdriver to install, it will reduce plenty of time.

USE PRECAUTIONS

 **WARNING:TO PREVENT SERIOUS INJURY AND DEATH FROM TIPPING:**

- 1. This product is not a toy. Do not allow children to play with or approach this item.
- 2. Use as intended only. Do not sit or stand on the product.
- 3. Inspect before every use. Do not use it if parts are loose or damaged.
- 4. Use on flat, level, and hard surfaces only.
- 5. Do not exceed the listed weight capacity. Tighten all knobs securely before applying load. Be aware of dynamic loading! The sudden loadmovement may briefly create an excess load, causing product failure.

COMPLETION

General Care

Cautions: Please read the load-bearing capacity of an individual shelf carefully. Don't try to load over the limit nor load heavy items onto one position of the shelf.

Cleaning

- For cleaning, wipe the surface with a damp (not wet) cloth or wipe dry with a clean lint free cotton cloth.
- Window cleaning liquid or a similar cleaning liquid can be used to clean the surface.
