Thank you for the recent purchase of our product. We hope you will be pleased with both the product and service you received. If not, please give our helpful customer service team an opportunity to improve your experience right away.

1. Installation Troubleshooting

- The parts are missing or damaged in transportation. Contact us to get replacement parts.

2. Usage Troubleshooting

- Adjust the height of the chair to suit your height. If it is not suitable for you, please contact us for help.
- If the chair is tilted to one side or forward, make sure the screws on the seat plate are tightened; make sure the chassis is not mounted upside down; and contact us if the problem cannot be resolved.
- If the fabric of the chair is torn or stained when you receive it, please contact us to get a replacement part or compensation.
- If the chassis is broken, please contact us for a replacement or partial refund.
- If a part is missing, please contact us and provide a picture of the missing part. We will replace it.

3. Return Request

If you are not 100% satisfied with the chair, please give us a chance to help you solve all your problems with our products. We also need your suggestions to improve the quality of the chairs to avoid the same problems happening again. This is the most important thing we can do as a new brand.
